- **Languages:** Bilingual fluency in English and Mandarin.

PROFESSIONAL EXPERIENCE

LEAD BURSAR ASSOCIATE | Teachers College, Columbia University | New York, NY

Oct 2019 – Present

- Engineered detailed data analysis on complex student account and payment datasets using Excel (Pivot Tables, VLOOKUP) and Google Sheets to generate actionable insights for financial management.
- Maintained data integrity by monitoring and managing student account databases, including billing data, transactional records, and balance adjustments to ensure consistency across systems.
- Executed data-driven outreach by leveraging Salesforce Marketing Cloud to segment student data, automate communications, and analyze performance metrics to optimize engagement.
- Performed data cleaning and validation on monthly unclaimed refund reports, applying reconciliation techniques to ensure high accuracy in institutional financial reporting.
- Translated raw account data into meaningful insights through cross-functional collaboration, responding to inquiries from internal departments and external stakeholders.
- Supported quantitative audit processes by compiling and formatting data for annual reports to ensure institutional compliance and transparency.
- Managed data-backed content updates for the Bursar's Office website, ensuring accurate information presentation for all stakeholders

PERSONAL BANKER | HSBC | New York, NY

Dec 2017 – Oct 2019

- Analyzed transaction patterns to detect anomalies and identify potential fraudulent activities, supporting data-informed fraud-prevention decisions.
- Conducted risk-based data reviews for KYC periodic refreshes and annual reviews to maintain regulatory compliance.
- Utilized client data to identify opportunities for cross-selling financial products, including wealth management and premier services, by reaching out to targeted client segments.

PERSONAL BANKER | Citibank | Elmhurst, NY

Dec 2016 – Dec 2017

- Quantified performance excellence by consistently exceeding monthly production hurdles by over 200% through data-driven client outreach and business development.
- Performed comprehensive financial reviews for new and high-net-worth clients, analyzing credit and deposit data to determine optimal financial solutions.

- Ensured documentation integrity by reviewing critical business account data and documents in strict adherence to corporate compliance guidelines.

BANK TELLER | Citibank | Flushing, NY

Dec 2015 – Dec 2016

- Processed 300+ daily transactions with high precision, including wire transfers, loan payments, and check cashing.
- Exceeded referral goals by 300% for credit cards and personal loan applications.
- Maintained operational accuracy by balancing cash drawers and proving ATM currencies on a weekly basis
