EDUCATION

Western Governors University **October 2024 - Present**

- Master of Science, Data Analytics - Decision Process Engineering

Brigham Young University, Hawaii **July 2012 – Aug 2014**

- Bachelor of Arts – International Cultural Studies |

EXPERIENCE

Western Governors University | Salt Lake City, UT & Remote **Data Analyst, Analytics & Reporting | Aug 2021 - Aug 2025**

- Executed and refined monthly ETL processes, generating over 120,000 student records processes during my tenure to support key university operations.
- Conducted predictive analytics on key performance indicators, identifying opportunities to optimize business processes and improve student outcomes.
- Contributed to the revision of student-facing policies by providing data-driven input, which enhanced student equity and improved employee efficiency.

Student Records Systems Analyst | Febr 2019 - Aug 2021

- Resolved complex student records issues in Salesforce and Banner by leveraging custom reports and SQL queries to ensure data integrity and policy compliance.
- Mentored and trained a team of 10+ new associates on essential records processes, including data cleanup and system guidance for Banner and Salesforce.

Student Records Supervisor | June 2015 - Feb 2019

- Supervised two or more teams concurrently, overseeing daily operations for five separate teams to ensure adherence to service level agreements.
- Coached and trained team members on updated processes and provided job aids that enhanced clarity and reduced data errors.

Student Records Associate | Feb 2015 - June 2015

- Managed all Commencement requests and ensured accurate data reporting for 10,000+ student program books
- Processed a high volume of Graduation applications and prepared weekly Graduation reports to support departmental operations.

Student Records Processor (Temp-to-Hire) | Oct 2014 - Feb 2015

- Responded to a high volume of student and faculty inquiries, providing timely and accurate information to resolve issues via phone and email.
