## RESEARCH EXPERIENCE

---

**Amy Boddy Lab**

Research Assistant

Mentor: Kristine Chua

Santa Barbara, CA

September 2023 - June 2024

- Recruited participants for a study on maternal-fetal microchimerism by designing and distributing emails and flyers to local social groups and businesses
- Extracted DNA from frozen blood samples and saliva for 1) analysis of DNA concentration and 2) for later use in external sequencing
- Gained hands-on experience in analysis of PCR products via agarose gel electrophoresis
- Learned complex mechanisms of MHC class 1 and 2 cells, microchimerism, and various assays

**Stuart T. Smith Lab**

Research Assistant

Mentor: Emily Smith

Santa Barbara, CA

November 2021 - June 2022

- Classified and sorted Nubian and Egyptian pottery for use in research on Abu Fatima Typology project
- Re-organized filing system of pottery sherds to facilitate migration of materials from the Tombos Archaeological site

## WORK EXPERIENCE

---

**Taboos BecomeEdge Internship**

Peer Health Fellow

Remote, US

May 2025 - Present

- Completed 6-week youth coaching internship focused on leadership and decision-making; led monthly human-centered design activities to test engagement concepts, culminating in a capstone project.
- Tested and developed tools for confronting sensitive topics with teens such as puberty and sexual health
- Actively engaged in peer health education and youth empowerment through hands-on projects focused on public health, social impact, and wellness

**Outlier Scale AI**

Independent Contract AI Training

Remote, US

December 2024 - March 2025

- Built upon high-quality post-training datasets with an emphasis on Reinforcement Learning from Human Feedback (RLHF) and Supervised Fine-Tuning (SFT) for next-generation large language models (LLMs)
- Ensured machine learning models adhere to legal and ethical obligations (i.e. harmlessness, truthfulness, safety, etc.)
- Engineered prompts with various parameters and assessment of results
- Quality assurance of other analysts' work (prompts, feedback, instruction-following, etc.)

## UCSB East Asian Languages and Culture Studies

Undergraduate Learning Assistant

Professor: William Fleming

- Ran class discussions, developed and presented class material and facilitated group discussions
- Enhanced student learning of Chinese, Japanese, and Korean history

Santa Barbara, CA

January 2024 - March 2024

## Eyewise Optometry

Intern

Owner: Alexander Lukens

- Sanitized examination rooms including ophthalmic equipment
- Coordinated with VSP and Eyemed insurance in order to establish patients' optometry insurance benefits
- Ordered frames and contacts to fill patient orders
- Maintained and updated patient medical records while adhering to HIPAA standards of privacy

Alameda, CA

January 2021 - Sep 2021

## ACTIVITIES

---

### Pacific Center for Human Growth
