- **Client & Financial Operations:** CRM Implementation (HubSpot, Supered), Financial Services Operations, Client Lifecycle & Onboarding Optimization, Sales Enablement & Reporting, High-Net-Worth Client Experience Design

WORK EXPERIENCE - US

Creative Wealth Solutions (under Northwestern Mutual)

Nov 2024 - Aug 2025

Operations Manager

Creative Wealth Solutions (under Northwestern Mutual) NOVEMBER 2024 - AUG 2025

- Built foundational operational systems for a new financial advisory firm supporting high-income clients, including pilots, business owners, and executives, while managing cross-functional teams to ensure seamless execution.
- Designed and automated CRM workflows using HubSpot + Supered, increasing CRM task completion by 60% and reducing administrative delays, demonstrating strong project management and process optimization skills.
- Reduced client onboarding time by 40% through intake optimization, email automation, and document delivery systems, effectively coordinating workstreams to meet client and stakeholder requirements.
- Collaborated directly with advisors to streamline case preparation and meeting logistics, freeing up 20% more time for prospecting and client service while reinforcing team-driven project delivery.
- Developed weekly KPI dashboards and meeting rhythms to ensure visibility into pipeline, leads, referrals, and conversion metrics, aligning performance tracking with strategic business goals.
- Led marketing-compliant outreach content development to generate warm leads from LinkedIn and networking events, integrating innovative strategies within project deliverables.
- Implemented SOPs for scheduling, referral follow-up, and sales documentation, establishing a scalable framework and leveraging project & change management expertise for improved operational efficiency.

Roofing & Remodeling Inc.

May 2021 - Jun 2024

Digital Solutions Manager

St cloud

Roofing & Remodeling Inc. (St cloud) May 2021 - June 2024

- Migrated and rebuilt the company's CRM from Salesforce to HubSpot, creating custom properties, dashboards, and automation flows while coordinating with cross-organizational teams.
- Increased lead-to-client conversion by 28% and reduced lead response time by 35% with a new intake system and deal pipeline logic, showcasing effective project workstream planning and risk management.
- Built and managed an in-house marketing team, leading full-funnel campaign strategy, ROI tracking, and multi-platform promotion in a matrixed environment.
- Deployed AI-driven internal tools and automated repetitive workflows, integrating 3+ external tools with HubSpot to boost efficiency and drive innovative process improvements.
- Created department-specific reports aligned with executive KPIs, enabling data-informed decisions across sales and marketing while ensuring timely project updates and stakeholder communication.

Roofing & Remodeling Inc.

May 2023 - Jun 2024
