PROFILE

I am a tenacious Purchasing Agent who has enjoyed supporting many areas of the project management spectrum from pricing analyzation to purchasing and procurement. This has given me a detail oriented perspective and resilience that I look forward to bringing into the next phase of my career; focusing and honing in on my educational background in economics, finance, and analysis.

EXPERIENCE

PURCHASING AGENT

DCO Commercial Floors
January 2022 - March 2025

Supporting approximately a third of all of the project teams to prepare, organize, and fulfill documents and order material for the completion of the project.
