PROFESSIONAL EXPERIENCE

RELIANCE INC.

Pasadena, CA

Benefits Finance Data Analyst

01/2023 - 01/2025

- Forecasted health, dental, vision, and pharmaceutical costs and outcomes for 14,000 union and nonunion employees through actuarial estimation techniques over claims data as well as trend analysis over utilizations
- Assisted Benefits Administrator in developing premium rate pricing models to keep rate increases no higher than 5% per annum while still creating a sufficient reserve fund for Reliance, Inc to fund any outstanding or new claims
- Improved reporting and data quality through routine audits and root cause analysis, identifying and rectifying issues in 120,000 employee data entries and system testing while adhering to HIPAA protection policies
- Designed and delivered reports and dashboards to HR, IT, accounting, federal and state regulatory bodies, and executives highlighting actionable insights as well as providing concise explanations on analytical results
- Optimized reporting processes by leveraging VBA to improve data cleaning, analysis, and management processes, reducing errors and improving accuracy by 20%

EVOLVE NXT

Torrance, CA

Business Analyst

11/2021 - 01/2023

- Oversaw the implementation of 7 CRM databases and 12 system modules to health plans in the Medicare Advantage and Commercial marketplaces in support of sales data driven decision making processes
- Delivered \$10M in commissions monthly by analysis of Medicare Advantage and Commercial subscriber data, ensuring compliance with CMS regulations
- Directed client executives, IT, accounting, sales, and analytics departments on leveraging the EvolveNXT systems in providing key insights into sales performances, member retention, and market expansions or contractions
- Mapped 300,000 data entries for seamless migration between client databases to EvolveNXT databases and seamless integration of the EvolveNXT platform to CMS and other third party databases and systems
- Supported clients in meeting key business goals through creating and maintaining BRD and SOP, system module recommendations, UAT testing, and configuration of the EvolveNXT platform to meet client specific needs

EL MONTE UNION HIGH SCHOOL DISTRICT

El Monte, CA

AVID Math Tutor

09/2020 - 09/2021

- Developed innovative instructional strategies based on analysis of student math class performance data for 8,000 students, improving engagement and understanding by 15%.
- Drove student engagement and understanding of various mathematical subjects by 15% through regular sessions reviewing instructor teaching methods, assignments, and prior exams and quizzes
- Created educational equity through direct instructional focus towards students needing additional support inside and outside the classroom, enhancing their learning by 20%
- Organized after school sessions with fellow tutors to better align students with necessary resources for their different classes
