*Clinical Nutrition and Dietetics*

## INTERNSHIP EXPERIENCE

---

**Kent State University** | Kent, OH

Aug 2025

*Business Analyst Intern – Operational Efficiency Analytics Project*

- Collected and documented requirements from university departments to improve reporting and decision-making.
- Analyzed datasets using SQL, Python, and Excel to identify inefficiencies and support process improvements.
- Built dashboards in Tableau and Power BI to track KPIs like enrollment trends and resource usage.
- Developed forecasting models that improved demand planning accuracy by 12%.
- Supported staff with UAT and training, leading to smooth adoption of new analytics tools.

**Rotomaker Pvt Ltd** | Hyderabad, Telangana

July 2023

*Corporate Social Responsibility Executive*

- Led CSR initiatives in health, education, and sustainability, boosting stakeholder participation by 35% and supporting ethics-focused policy development.
- Promoted U.S. accreditation programs, helping 200+ professionals gain global certifications and strengthen employability outcomes.
- Coordinated outreach with academic leaders, raising program enrollment by 20%, and delivered communication workshops for 50+ participants, improving collaboration and project outcomes.

## PROJECTS

---

**Telecom Churn Predictions** | Kent State University

June 2025- Aug 2025

Built churn prediction models (Logistic Regression, Random Forest, XG Boost) with cross-validation and SHAP interpretability, identifying tenure and charges as key drivers and recommending targeted retention strategies.

### **Diet Compliance Predictive Model | Kent State University**

May 2025

Built a **Python (scikit-learn)** model predicting patient diet compliance with 80% accuracy, analyzed adherence patterns, and provided insights to support proactive counseling and reduced readmissions.

### **LEADERSHIP AND ACTIVITIES**

---

#### **Kent State Indian Association | Kent, OH**

Aug 2024- May 2025

*Community Engagement Volunteer*

Organized cultural events engaging 200+ students and strengthened peer mentoring for new members. Coordinated logistics and outreach with university staff, improving student transition support.

#### **Kent State Women's Center | Kent, OH**

Jan 2024– May 2025

*Student Volunteer*

Supported workshops on leadership, career readiness, and wellness, reaching 100+ participants. Assisted in awareness campaigns on gender equity, increasing outreach engagement by 25%
