

ALAINA TRAHAN

(979) 257-8820 | ALAINATRAHAN@YAHOO.COM

My goal is to contribute to a company's success and profitability through my proven skillset that includes contract management, collecting and analyzing data, compliance, working collaboratively and cross-functionally in a team environment, streamlining complex processes, critical thinking, dependability, and precise communication

PROFESSIONAL EXPERIENCE

Germania Insurance | Agency Compliance & Operations Specialist II Brenham, TX | April 2021- Present

- Developing relationships internally and externally that have resulted in positive results by delivering accurate data, testing and implementing third-party integrations with Salesforce, being a dependable resource, and presenting ideas with a concise implementation plan to ensure a smooth execution.
- Assisting independent agencies with contract management, agency onboarding, calculating the value in processes, data management, troubleshooting system inconsistencies, appointing entities and agents, Salesforce upkeep and development, providing compliance information, and analyzing data from multiple sources for future trends.
- Organizing and identifying the correct stakeholders to complete an objective while maintaining efficiency, delivering information in a comprehensive manner, and promoting reliable resources across various departments at Germania's corporate offices as well as our contracted agencies and agents.

VirtualTone | Channel Partner Manager East Bernard, TX | June 2016-December 2020

- Developed leadership skills by identifying qualities in employees that helped facilitate professional growth and a more cohesive team which resulted in an increase in work environment and ability to share open communication.
- Creating and organizing marketing material to represent a company's long-term brand success to become the choice business communication solution that our partners offered their clients.
- Utilized a robust technology stack to streamline projects and processes for VirtualTone as well as our Partner Program that delivered an increase in profitability for the company as well as our Partners by reinventing the deployment of our products.
