WORK EXPERIENCE

Accounts Payable Clerk

Greenway Automotive Group

08/2024 - Present

- Carefully and accurately analyzed and processed hundreds of invoices daily for 300+ vendors.
- Worked to create a standard operating procedure (SOP) in order to efficiently keep track of daily and monthly expenses.
- Maintained constant and open communication with vendors in order to solve billing related issues.
- Maintained accounting ledgers by verifying and posting account transactions.
- Reconciled monthly statements and verified the accuracy and legitimacy of transactions.
- Researched and prepared the necessary documents for bi-monthly account audits.
- Negotiated payments terms and methods with vendors in order to ensure payments were received in a timely manner.
- Assisted in the preparation of month-end closing entries for detailed reporting and research.
- Mastered proprietary Greenway programs in order to process incoming vendor invoices.

Merchandise Support Specialist

Universal Orlando Resort

03/2022 - 08/2024

- Managed large incoming shipments and kept track of inventory levels for 20+ vendors for as many as 4 different stores.
- Partnered with management to optimize the flow of inventory in a high pressure, fast moving environment.
- Used Excel and other inventory management software to forecast future inventory needs given past data and current inventory levels.
- Oversaw and assisted with visual merchandise changes throughout the resort as needed.
- Assisted park guests with any inquiries and needs and consistently exceeding their expectations to ensure high levels of guest satisfaction.
- Participated in resort-wide inventory counts to ensure accuracy on a quarterly basis.
- Assisted other Universal team members with any inventory related inquiries.
