EXPERIENCE

University of North Texas

August 2022 - May 2025

Resident Assistant

Denton, Texas

- Analyzed attendance data from events with 300+ residents, identifying engagement trends to enhance event planning and community interaction.
- Led orientation programs for 40+ residents, using surveys and feedback analysis to improve program effectiveness.
- Served as on-call resident assistant for 500+ residents, coordinating rapid response and improving crisis management using data-driven insights.

University of North Texas

January 2025 - April 2025

DSCI 4770 Term Project: Airbnb Rental Rate Project

Denton, Texas

- Utilized the Six Sigma DMAIC framework to identify strategies to reduce Dallas Airbnb rental rates by 10% in one year.
- Cleaned and analyzed raw datasets with SQL and Excel, then developed interactive Power BI dashboards to highlight market trends and support decision-making.
- Created a detailed strategy in the 'Improve' phase, using data-driven insights to recommend dynamic pricing, listing optimization, and a practical plan to reduce rental rates.

University of North Texas

January 2025 - April 2025

DSCI 4510 Term Project: Marshall's Waiting Line Project

Denton, Texas

- Led a 4-person analytical team in developing a comprehensive PowerPoint presentation, translating complex data insights into strategic recommendations projected to enhance Marshall's service rate by up to 15%.
- Analyzed over 50 customer interactions at Marshall's, quantifying queue lengths, wait times, and service efficiency to identify peak periods and operational bottlenecks.
- Leveraged Excel for descriptive and predictive analyses, cutting wait-time variability by 20% through data-driven recommendations on staffing and operations.

LEADERSHIP | CAMPUS | COMMUNITY INVOLVEMENT

LLC Resident Assistant, UNT Serves

Aug 2024 - May 2025

- Led a volunteer community, fostering a sense of purpose and fulfillment among students.
- Organized and executed service initiatives, inspiring students to engage in meaningful volunteer work and develop leadership skills.
