EDUCATION

Bachelor of Science in Computer Science, May 2025

Ohio Northern University, Ada, OH

- Minor: Creative Writing
- GPA: 3.82/4.00

SKILLS

Programming and Assembly Languages

C++, Java, Kotlin, HTML, Javascript, RISC-V, Python, Google Script, SQL

Tools and Software

Cisco Packet Tracer, Wireshark, Visual Studio Code, IntelliJ, Android Studio, Microsoft Office Suite, Github, ReactJS

RELATED PROJECTS

Academic Advising App, Capstone Project (Ohio Northern University, 2024-2025)

- Working with a team of Computer Science and Computer Engineering students to produce an application that will support administrative faculty in creating department-level course schedules.
- Contributing primarily to front-end and user interface development.

RISC-V Assembler, Class Project (Computer Architecture, Ohio Northern University, Fall 2023)

- Lead creation of a Kotlin program that acts as a RISC-V assembler that interfaces with text files.

ACTIVITIES

Polar Robotics: Programming Team Member (2022-2025)

- Provided code for a robot and assisted in competitions.
- Wrote high-level documentation throughout the codebase.

ONU ACM Student Chapter: Member (2021-2024), Webmaster (2023-2024)

- Attended numerous outreach events and competitions.
- Directly assisted with planning and hosting several college-wide events between faculty and students.

EMPLOYMENT

Evans Research Fellowship, Ohio Northern University (Summer 2024)

- Conducted research with Dr. John Estell, Dr. Stephany Coffman-Wolph, and another undergraduate research assistant into possible improvements to the process used by ONU faculty to fill out Faculty Course Assessment Reports.
- Co-developed a fillable report template using HTML and Google Script.
- Wrote instructions for proper usage of the software developed.
