EDUCATION

Indiana University, Luddy School of Informatics and Engineering

Major: Informatics (Business Cognate)

Minor: Accounting, Financial Literacy

May 2025

Major GPA:3.76/4.00

EXPERIENCE

Locuz Enterprise Solutions Pvt. Ltd., Hyderabad, India

June 2024 – August 2024

Data Analyst Intern

- Developed and fine-tuned complex ETL processes using SQL and Snowflake, resulting in a 15% reduction in data latency, facilitating real-time analytics and decision-making for client projects.
- Led the migration of legacy data systems to AWS S3, Athena, and Glue, including re-engineering the underlying data architecture to improve computational efficiency and scalability, reducing data retrieval times by 25% and supporting high-performance data analysis.
- Conducted detailed data analysis on customer behavior patterns, utilizing statistical methods and machine learning algorithms, delivering insights that drove product development and marketing strategies, resulting in a 30% increase in user engagement for client solutions.

EY (Ernst & Young), Mumbai, India

June 2023 – August 2023

Advisory Associate Intern

- Conducted due diligence for the fintech market, including market trends, competitive landscape, and potential growth opportunities utilizing advanced analytical tools and methodologies to provide actionable insights for strategic investment decisions.
- Prepared detailed reports and presentations on fund analysis to assist in monitoring client outreach for fintech startups, thus enabling precise tracking and strategic planning.
- Collaborated with internal teams, fund managers, leveraging CRM systems to deliver tailored solutions that enhanced client satisfaction.
- Managed vendor relationships by utilizing procurement software to evaluate contract terms, perform rigorous cost-benefit analysis, and negotiate favorable pricing and service agreements for fintech startups.

EY (Ernst & Young), Mumbai, India

May 2022 – July 2022

Advisory Associate Intern

- Collaborated with cross-functional teams to conduct market research and competitor analysis, leveraging tools to identify key market trends.
- Contributed to strategy development and implementation for clients in various industries by using frameworks such as SWOT and PESTLE analysis.
- Presented key analytics-driven findings to partners comparing commercial and foreign banks, utilizing data visualization tools to illustrate critical performance metrics.
- Assisted in due diligence efforts for potential mergers and acquisitions for foreign national banks by conducting comprehensive financial modeling and risk assessment.

Complinova, Hyderabad, India

February 2021 – March 2021

Accounting Intern

- Assisted and managed quarterly and year-end financial reports.
- Managed tracking of inventory with the use of quick books.
- Assisted with the E-KYC verification process for clients.
- Prepared various tax and GST forms for clients.
