1391 E Narrowleaf Dr, Gilbert, Arizona 85298 | <mailto:anks.newjour@gmail.com> | Cell:480 765 4145

PROFESSIONAL SUMMARY

Detail-oriented and analytical data professional with hands-on experience in data analysis, data entry, and catalog management. Skilled in SQL, data validation, and data visualization. Adept at problem-solving and uncovering actionable insights through structured data. Organized, collaborative, and passionate about contributing to data-driven decision-making in fast-paced environments.

PROFESSIONAL EXPERIENCE

Data Analyst – TEKsystems (Client: DoorDash Inc.)

Remote | Sep 2024 – Present

- Maintain and manage the alcohol product catalog on DoorDash's platform across multiple states and merchants.
- Run SQL queries on merchant databases to identify and resolve missing or inconsistent product SKUs.
- Perform end-to-end data cleansing, validation, and normalization of catalog entries to ensure accuracy and regulatory compliance.
- Collaborate with category managers, compliance teams, and merchant onboarding teams to streamline catalog integration.
- Troubleshoot catalog-related issues raised by internal teams or external partners and implement long-term solutions.
- Track and report catalog data health metrics using Excel and Google Sheets.

Data Entry Specialist – ATR International Inc. (Client: JP Morgan Chase)

Tempe, AZ | Dec 2023 – Aug 2024

- Validated and verified financial documents for accuracy and compliance.
- Managed business account records with a focus on accuracy and timeliness.

Finance Coordinator – ASHA Eindhoven (Nonprofit Organization)

Netherlands | Sep 2008 – Oct 2011

- Coordinated multiple fundraising events for charitable causes.
- Assisted in planning and logistical support for community initiatives.
