SUMMARY

Recent graduate with foundational knowledge in Cybersecurity and Networking, with hands-on experience gained through academic projects and internships. Demonstrates strong teamwork, problem-solving, and time-management skills. Prepared to start career and make meaningful contributions with commitment and drive.

EXPERIENCE

Sep 2024 — Jun 2025

Cybersecurity Trainee

Loring Job Corps, Limestone, ME

- Assisted in identifying vulnerabilities in systems and applications through routine security assessments.
- Collaborated with team members to implement security protocols and best practices across various platforms.
- Conducted research on emerging cybersecurity threats and trends to enhance response strategies.
- Supported incident response efforts by analyzing security alerts and logs for potential breaches.
- Participated in training sessions to develop proficiency in key cybersecurity tools and technologies.

Jul 2023 — Sep 2024

CCNA Trainee

Loring Job Corps, Limestone, ME

- Configured and maintained Cisco routers, switches, firewalls, and wireless access points to support client networks.
- Performed network troubleshooting to identify and resolve connectivity issues in a timely manner.
- Managed VLANs, spanning tree protocol (STP), virtual routing forwarding (VRF), IP addressing schemes, subnetting, NAT/PAT, ACLs on Cisco devices. Implemented security measures such as access control lists (ACLs), firewall rulesets, intrusion prevention systems (IPS).
- Performed periodic vulnerability assessments and penetration tests to identify potential security risks.

Apr 2022 — Aug 2022

Groundskeeper

CALVARY CEMETERY, South Portland, ME

- Contributed to overall property aesthetics improvements resulting from dedicated attention towards daily maintenance tasks and detail-oriented approach to groundskeeping.
- Reduced equipment downtime via regular maintenance checks and timely repairs as needed.
- Enhanced curb appeal by maintaining lawns, gardens, and walkways in pristine condition.
- Cultivated a positive work environment through effective communication with team members and supervisors.
- Upheld high safety standards on all tasks performed ensuring minimal accidents or injuries within the workplace.

Jun 2019 — Sep 2021

Kitchen Float

York Hospital, York, ME

- Self-motivated, with a strong sense of personal responsibility.
- Worked effectively in fast-paced environments.
- Skilled at working independently and collaboratively in a team environment.
- Proven ability to learn quickly and adapt to new situations.
- Worked well in a team setting, providing support and guidance.
- Demonstrated respect, friendliness and willingness to help wherever needed.
- Assisted with day-to-day operations, working efficiently and productively with all team members.
- Passionate about learning and committed to continual improvement.
- Worked flexible hours across night, weekend, and holiday shifts.
- Managed time efficiently in order to complete all tasks within deadlines.

Apr 2015 — Jun 2019

Counselor

Jewish Community Center, Asheville, NC

- Developed and implemented individualized counseling plans to support client needs and goals.

- Collaborated with community organizations to enhance resource availability for clients.
- Mentored junior counselors, sharing expertise to improve service delivery and client outcomes.
- Assisted clients in setting realistic goals, developing action plans, and monitoring progress towards achievement.
- Improved client satisfaction through consistent communication, empathy, and understanding of their unique challenges.
- Guided clients in development of personal goals and strategies for achieving them.

May 2018 — May 2019

Assistant Scoutmaster

Boy Scouts of America, Asheville, NC

- Mentored youth in leadership skills and personal development initiatives.
- Facilitated outdoor activities, enhancing teamwork and problem-solving abilities among scouts.
- Organized community service projects, fostering civic responsibility and engagement within the troop.
- Developed training materials for scout leaders, improving program effectiveness and consistency.
- Coordinated with parents and volunteers to ensure smooth troop operations and event planning.
- Evaluated scout progress towards merit badges, providing constructive feedback and guidance for growth.

May 2017 — May 2018

Senior Patrol Leader

Boy Scouts of America, Asheville, NC

- Led troop activities, fostering teamwork and leadership skills among youth members.
- Developed and implemented training programs for junior leaders to enhance their competencies.
- Evaluated team members' performance to identify areas for improvement, implementing targeted coaching programs as needed.
- Oversaw regular equipment maintenance checks, reducing instances of equipment failure during critical operations.
- Fostered an atmosphere of continuous learning within the team by regularly sharing industry updates and best

practices.

- Conducted comprehensive training sessions for new recruits, accelerating their integration into the team.
- Conducted safety training sessions, emphasizing risk management and emergency preparedness protocols.

May 2016 — May 2017

Scout

Boy Scouts of America, Asheville, NC

- Developed and implemented engaging outdoor programs to enhance youth participation and leadership skills.
- Mentored youth leaders in group dynamics and team-building activities, fostering personal growth and collaboration.
- Collaborated with community organizations to promote scouting initiatives, enhancing visibility and recruitment efforts.
- Organized fundraising events to support local troop activities, ensuring sustainability of programs and resources.
- Led strategic planning sessions to align troop goals with organizational mission, enhancing operational efficiency and impact.
- Organized memorable annual camps to foster camaraderie, teamwork, and personal growth among participants.

May 2016 — Jul 2016

Intern

Moog, Inc, Asheville, NC

- Assisted engineering team in design documentation and revision processes.
- Collaborated with cross-functional teams to streamline project workflows.
- Supported quality assurance efforts through testing and documentation procedures.
- Organized project files and maintained up-to-date records for compliance purposes.
- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.

EDUCATION

2023 — 2025

High School Diploma in IT

Loring Job Corps, Limestone, ME

Government funded program to obtain a high school diploma, work experience, and certifications to certain trades

CERTIFICATIONS AND LICENSES

- CISCO Certified Cybersecurity Associate March 2025 to March 2028
- CCNA March 2025 to March 2028
