8918 Hollybush Ln, Verona WI, 53593

EDUCATION

University of Wisconsin - Madison

Madison, WI (September 2021 - May 2025)

- Earned Bachelor of Science Degree with a Major in Cartography/GIS and Certificates in Computer Sciences and Data Sciences.

Skillset

- Experienced in Excel, Java, Python, C, Javascript, HTML, CSS, AWS, SQL, SPARQL, R, Power BI, Tableau, and ArcGIS Pro.

James Madison Memorial High School

Madison, WI (September 2017 - June 2021)

- Graduated with High Honors, 3.8 GPA with rigorous schedule including 12 AP Courses.

EXPERIENCE

NSight Teleservices

GIS Intern

Green Bay, WI (June 2023 - August 2023)

- Created and designed webmap to display layers of data pertaining to cell and telecom services using Javascript, HTML and CSS.
- Utilized Python and SQL scripts to meticulously analyze extensive datasets, enabling the company to gain invaluable insights into areas of statewide coverage issues and glean essential information from over 400,000 customers/clients.
- Mapped location of thousands of fiberoptic cables in all areas of NorthEastern Wisconsin using ArcGIS Pro, ArcMap, AutoCAD and other mapping softwares.
- Efficiently gathered data on fiber optic cables through practical fieldwork, involving physical inspection and maintenance of access points within various neighborhoods.

Intelligent Cyberinfrastructure with Computational Learning in the Environment (ICICLE)

GeoDS Student Position

Madison, WI (Feb 2023 - May 2023)

- Contributed to the National Science Foundation-funded AI institute, supporting the mission of advancing CyberInfrastructure for enhanced accessibility to artificial intelligence
- Acquired proficiency in understanding RDF to transform provided data into different informative representations.
- Created SQL/SPARQL queries and Knowledge Graphs from python code to display data from the NSF Icicle project.

Wisconsin Geological and Natural History Survey

GIS and Database Assistant

Madison, WI (April 2022 - Aug 2023)

- Utilized ArcGIS Pro to locate and insert mineralization data about boreholes in Wisconsin.
- Worked with teammates to implement efficient strategies for data analysis.
- Completed and entered various data into logs containing information about boreholes.

Mathnasium

Instructor

Madison, WI (November 2019 - Jan 2023)

- Instructed students of ages 5 - 16 and helped them better understand and excel at math.
- Developed strong communication skills and demonstrated patience while effectively resolving conflicts among students, including those facing challenging situations.

PROJECTS

Geography Capstone — Geog 565

(Feb 2025 - May 2025)

- Designed and conducted a semester-long research project examining the cultural, spatial, and policy significance of historic buildings in Dane County, Wisconsin.
- Created a GIS layer by web scraping over 270 historic building and district listings from the Wisconsin Historical Society and manually geocoding inconsistent or incomplete entries.
- Performed spatial analysis in ArcGIS to identify geographic patterns and clustering of historic designations.
- Organized and analyzed three stakeholder interviews, including residents, preservation commissioners, and state-level experts, to understand personal and institutional perspectives on historic buildings.

Bear Proximity Database - Geog 574

(December 2024)

- Collaborated with team members to design and implement a spatial database by creating an ER Diagram and logical schema to define the structure.
- Created and populated tables with datasets, and used SQL queries for data manipulation and presentation.

Book Mapper — CS 400

(October 2022)

- Developed the Frontend of an application that allows users to search for books in a large simulated library using my knowledge of Hashtables and Object Oriented Programming in Java.
- Utilized git to work together with teammates to complete the application

ACHIEVEMENTS

- Eagle Scout and Senior Patrol Leader for Boy Scout Troop 420 in 2019 and 2020.
- Member of National Honor Society.
- AP Scholar with Distinction.
- Qualified for Debate State tournament in 2019 and 2020.
