

Audrèi Grey-Réz

Detail-oriented and results-driven administrative professional with a strong background in data accuracy, quality control, and order coordination. Proven track record of streamlining processes, improving data integrity, and supporting operational flow in fast-paced environments. Adept at working with cross-functional teams and digital systems to ensure efficiency and excellence.

Work Experience

Quality Assurance Tester, Speedee Labs-McDonald's

Sep 2024 - Present

- Act as the quality gatekeeper-tracking data, verifying scans, and ensuring smooth operations
- Use digital tools and tablets to capture real-time insights and monitor performance
- Collaborate with teams to maintain accuracy and customer satisfaction

Remote Order Expeditor, Staples Promotional Products - Remote

Aug 2021 - May 2024

- Reconciled purchase orders and resolved discrepancies between invoices, orders, and deliveries
- Used Athena, Phoenix, and LINC (AS400) systems for accurate data entry and record-keeping
- Coordinated with vendors and internal teams to ensure on-time fulfillment
- Updated pricing, maintained inventory accuracy, and assisted in project coordination

Shipping & Receiving Coordinator, myWhy Agency- Hybrid

Sep 2020 - June 2021

- Managed shipping logistics and maintained accurate inventory records.
- Collaborated with purchasing to forecast needs and reduce inventory by 50%
- Supported data reconciliation and project coordination efforts

Data Entry Specialist, Zoom Advertising- Freelance

Sep 2020 - June 2021

- Validated and managed over 50,000+ entries with high attention to detail
- Developed verification systems to improve data quality and efficiency
- Streamlined workflows and supported cross-functional teams
