

AVYAJA BHOOMREDDY

Mount Pleasant-48858, MI | (989)854-7491 | avyajareddy291@gmail.com | <http://www.linkedin.com/in/avyaja-reddy>
PROFESSIONAL SUMMARY

Analytical and results-driven Business Analyst with a master's in project management and hands-on experience in data analysis, predictive modeling, and process optimization. Proven ability to translate complex business needs into actionable solutions using tools like Python, SQL, Tableau, and Agile methodologies.

EDUCATION

Central Michigan University, Mount Pleasant, MI Aug 2023 – May 2025

Master of Science in Administration – Project Management

GPA: 3.79

Mahatma Gandhi Institute of Technology, Hyderabad, India Aug 2019 – May 2023

Bachelors in Electronics and Communication Engineering

GPA: 3.0

RELEVANT EXPERIENCE

Embedded Systems Intern - Smart Knower, Hyderabad, India May 2022 – June 2022

- A Tuned microcontroller firmware to enhance system efficiency by 25%.
- Accelerated alert response times by 40% through real-time software development in C/C++.
- Identified hardware issues with sophisticated debugging 30% more quickly.

Data Science Intern - Smart Knower, Hyderabad, India April 2022 – May 2022

- Analyzed large datasets using Python and SQL to reveal business trends, yielding a 15% improvement in forecasting accuracy, and built predictive models to identify customer behavior patterns, contributing to a 20% reduction in churn.
- Designed and presented interactive Tableau dashboards that enhanced business decision-making across departments.
- Collaborated with stakeholders to elicit requirements and translate business needs into data-driven solutions.

PROJECTS

MSA Capstone Project - Walmart's Sustainable Retail Practices: Turning Waste into Value. Jan 2025 - May 2025

- Conducted a thorough analysis of Walmart's circular economy and food waste reduction plans, emphasizing leadership execution and sustainable retail practices.
- An in-depth analysis of the problem was conducted using stakeholder views and scholarly research, resulting in practical suggestions to enhance Walmart's Environmental, Social, and Governance (ESG) performance.
- Demonstrated advanced communication and analytical abilities by creating a professional research poster and giving an executive-level presentation to faculty and peers.

Home Automation System using Node MCU Jan 2023 - June 2023

Technologies Used: Arduino IDE, Ada fruit IO, IFTTT Application, Google Assistant, MQTT

- Developed a home automation system using Node MCU to control household devices remotely, enhancing convenience and energy efficiency.
- Utilized Arduino IDE to program the Node MCU, enabling seamless integration with various sensors and actuators.

Text in Image to Speech conversion using Raspberry-Pi Oct 2022 - Dec 2022

Technologies Used: Optical Character Recognition, Image Processing, Text recognition, Raspberry Pi Camera Module

- Developed a "Text in Image to Speech" conversion system using Raspberry Pi to assist visually impaired individuals by converting captured text into audible speech, enhancing accessibility.
- Developed a Python-based OCR and TTS system using Raspberry Pi to improve accessibility for visually impaired users. Additionally, demonstrated the ability to design end-to-end solutions addressing real-world user problems through tech-enabled innovation.

Smart India Hackathon March 2022- May 2022

- Designed a chatbot integrated with IoT sensors using IBM technologies to solve agricultural challenges such as water overflow, UV detection, and soil moisture monitoring.
- Translated user requirements into functional solutions, highlighting business needs and environmental impact.

SKILLS

Programming Languages: C, C#, C++, Python, SQL

Databases: MySQL, Oracle

Other Software Tools/Methodologies: Jira (Scrum/Agile), MS Office, Confluence

Soft Skills: Communication Skills, Problem-Solving Skills, Attention to Detail, Team Management, Presentation Skills, Training & Documentation, Workshop Facilitation

CERTIFICATES

Google Project Management Certificate - [Coursera certificate link](#)

Embedded Systems Intern - [Internship certificate](#)

Data Science Intern - [Internship certificate](#)
