Objective:

I am a recent graduate of the Maritime CNC Machining and Welding program at Macomb Community College seeking an entry-level position to further develop technical and mechanical skills. Dedicated to producing high-quality work, learning advanced techniques, and supporting efficient production operations.

Skills

- Shielded Metal Arc Welding (Stick)
- Flat and horizontal in mild steel operations.
- T-joint, groove, fillet, lap joint, and butt joint welds
- Gas Metal Arc (MIG) Welding
- Gas Tungsten Arc (TIG) Welding
- Flux Core Arc Welding
- Blueprint reading
- Oxyfuel Cutting
- Basic knowledge of Scotchman Shear
- Beginner knowledge of a tape measure and combo square
- Precision measurement using micrometers and calipers
- Strong math and problem-solving skills
- Detail-oriented with focus on quality and accuracy
- Ability to work independently and meet production deadlines
- Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, Access)
- Google Workspace (Docs, Sheets, Slides, Gmail, Drive, Calendar)

Education

Michigan Maritime Manufacturing (M3) Accelerated Welding
Macomb Community College – Warren, MI completed September 12, 2025
GPA 4.0 on 4.0 scale

High School Diploma

Marine City Highschool - Marine City, Graduated Magna Cum Laude, June 2024

Certifications

OSHA 10 Certification
Advanced Technology Readiness
Welding Safety Fundamentals
Math for Welding
Blueprint for Welding
Shipbuilding and Welding Terminology Capstone

Shielded Metal Arc Welding
Flux-Cored Arc Welding
Gas Metal Arc Welding
Gas Tungsten Arc Welding
Welding Foundations

Relevant Coursework

Metallurgy-Characteristics of Non Ferrous Metal
Mathematics for the Trades
Metallurgy-Characteristics of Ferrous Metal
Industrial Safety-Skilled Trades
Drafting, Machine Tool Blueprint Reading
