EXPERIENCE

Instacoach, San Mateo, CA

June 2024 - Present

Business and Financial Analyst

- Serve as the primary driver of data-informed decision-making at Instacoach, a venture-backed tech startup
- Develop, maintain, and analyze 30+ company-wide KPIs using Google Sheets, Microsoft Excel, SQL, and Google Scripts, supporting real-time decision making
- Build financial, engagement, and predictive models to assess profitability, forecast user retention, and inform strategic planning
- Conduct ROI analysis on marketing initiatives to evaluate channel performance and guide budget allocation
- Perform ongoing ad-hoc analyses to identify user trends and growth opportunities; identified an underperforming segment that led to a 20% increase in Daily Active Users
- Discovered an 80% drop-off at a critical onboarding step; initiated a redesign that significantly improved user activation metrics

University of San Francisco, San Francisco, CA

July 2022 - May 2023

Graduate Assistant - Business and Finance Operations

- Supported the financial operations of the University of San Francisco athletics department by managing a \$20M operating budget, overseeing vendor payments, receivables/payables, and financial reporting
- Prepared monthly reports and performed SAP-driven variance analysis to track departmental performance
- Improved vendor management and accounts payable processes by enhancing payment accuracy and timeliness
- Reconciled accounts receivable and recovered \$500K+ in outstanding balances through proactive collections
- Analyzed spend across 16 NCAA Division I programs to identify cost inefficiencies and support resource allocation
- Served as a key liaison between athletic departments and finance operations, enhancing communication and reporting accuracy
