WORK EXPERIENCE

Communities for a New California

Administrative Support & Outreach Specialist

Sacramento, CA

May 2022–November 2024

- Conducted public outreach via calling systems to collect data
- Communicated with residents to address issues impacting their communities
- Utilized conflict resolution skills and redirected individual concerns to team lead as necessary
- Collaborated with team members on data collection programs via Google Workspace
- Maintained and updated spreadsheets to track daily progress based on organizational goals
- Assisted individuals in making appointments and coordinated attendance for community events
- Maintained detailed spreadsheets to track community outreach success and track survey responses

District Office of Assemblywoman Sharon Quirk-Silva

Intern

Fullerton, CA

February 2020–June 2020

- Researched events for the Assemblywoman to attend within the district
- Created documents and templates for certificates distributed to organizations and businesses using Microsoft Suite
- Attended events as a representative of the Assemblywoman
- Utilized Microsoft Office programs for office tasks as needed
- Communicated with constituents on behalf of the Assemblywoman
- Handled communications between the district office and the capital office over the phone and through digital correspondence

PROFESSIONAL DEVELOPEMENT

Coursera

Google Data Analytics Certificate

- Prepared, processed and analyzed data to inform business decisions. Worked effectively to create visualizations to share findings with stakeholders and provide recommendations driven by data. Worked with SQL and R; translated data into insights, learned statistical analysis, simplified complex data relationships and utilized predictive modeling.

EDUCATION

California State University, Fullerton

Bachelors of Arts: Political Science, Cum Laude

Fullerton, CA

- Member of Pi Sigma Alpha (National Political Science Honors Society)
