WORK EXPERIENCE

UGC Technologies

Nov. 2020 – Present

Financial Analyst (Remote)

Troy, Michigan, U.S.A

- Co-analyzed the valuation of a \$367M Fintech Firm for acquisition, using Discount Rate method that was well received by client
- Utilized different valuation methods: Asset-Based Method, Book Value of Net Assets and Capitalized Earnings Method
- Contributed to financial models, including one that secured \$146M via multiple investors for an e-commerce logistics firm
- Conducted in-depth research, managed large data sets, and delivered accurate reports and presentations to senior management

Bishopshalt (Middle & High) School

Mar. 2023 – Sept. 2024

Computer Programming Teacher, Teaching Assistant

London, U.K

- Implemented scaffolding strategies and taught Computer Programming, Economics/ Business and Mathematics classes
- Utilized collaboration tools (Google Classroom), to facilitate online interactive discussions, collaborative projects
- Aided students who required special education accommodations in learning and remaining competitive

A Marketing Direct (a sales & marketing firm)

Aug. 2022 – Nov. 2022

Sales Advisor

London, U.K

- Successfully achieved and surpassed internet plans sales targets weekly, earning multiple “Star of The Week” awards
- Proficient in identifying and resolving customer needs, utilizing a proactive and solution-oriented approach

Guidehouse (Navigant Consulting)

July 2020 – Sept. 2020

Consultant (Internship)

London, U.K

- Assisted in developing liver and lung cancer treatment algorithm strategies for US, China and Japan markets
- Conducted research with oncologists and patients to gain insights on unmet needs and future treatment options
- Overcame challenges to obtain liver cancer patients through vendors I found due to its extremely low prevalence in the US
- Developed and presented recommendations to the clients, who were very satisfied with my work ethics and quality findings

Findacure (NPO)

Mar. 2018 – Apr. 2018

Fund Raising Intern

Cambridge, U.K

- Created multiple photoshop banners for Findacure’s website and social media platforms. Proficient in the SAGE ERP system
- Initiated and leveraged social media channel (eBay) to advance 'Findacure Stamp Appeal' initiative for fundraising
