Professional Summary:

Finance professional with 5+ years of corporate experience and recent hands-on training in SAP S/4HANA Finance and Scrum methodologies. Proven expertise in financial reporting, GL accounting, XBRL reporting, and order management systems.

Adept at supporting SAP FI processes including General Ledger, Accounts Payable, Accounts Receivable, Asset Accounting, and Bank Accounting. Strong analytical skills, stakeholder communication, and a proactive learner with the ability to bridge business and technology.

Skills & Tools Experience:

- SAP S/4HANA Finance, SAP GUI
- Blackline, XBRL, Postman, MS Excel (Pivot, VLOOKUP), PowerPoint, Outlook
- Agile/Scrum, Manhattan Active Omni (MAO)
- Financial Reporting, Reconciliation, JE Processing, API Testing

Certifications & Training:

- SAFe® 5 Scrum Master Certified
- SAP S/4HANA Finance – PMSAP Technologies
- Financial Modeling – Pristine, Pune
- SAP Business One – Siddaganga Institute of Technology

Career Break & Upskilling:

- Freelance Consultant & SAP Finance Trainee
- Assisted small businesses with vendor management and payment tracking using Excel.
- Completed SAFe® 5 Scrum Master Certification, gaining deep understanding of Agile & Scrum practices.
- Trained on SAP S/4HANA Finance modules (FI, CO, AA, AR, AP, Bank, GL) at PMSAP Technologies with hands-on exposure to real-time business scenarios.
- Learned SAP GUI, Fiori apps, and master data maintenance.

Professional Experience:

Red-Shift Enterprise Consulting

Intern – Order Management Systems

Sep 2022 – Mar 2023

- Understood order lifecycle, fulfillment, and delivery mechanisms using Manhattan Active Omni (MAO) tool.
- Created, monitored, and tested API transactions in Postman for order creation and inventory updates.
- Gained insight into integration flows for warehouse and distribution operations.

American International Group (AIG), Bangalore

Junior Manager – Finance

Jun 2014 – Apr 2016

- Prepared monthly Trial Balance, Balance Sheet, and Income Statement for Real Estate accounts.
- Uploaded Journal Entries in SAP, ensuring GAAP and STAT compliance.
- Managed account reconciliation using Blackline, and improved audit readiness through accurate documentation.
- Collaborated with US counterparts, maintained SLAs, and optimized TAT and KPI adherence.
- Led a successful 2-month process transition in Houston, TX, documenting SOPs and training cross-functional teams.

Genpact, India (Client: AIG)

Management Trainee – Finance

APR 2014 – Jun 2014

Continued in the same financial reporting processes before absorbing into AIG full-time.

SunGard Global Services (Now part of FIS), Pune

Senior Associate – Financial Reporting (XBRL)

Feb 2012 – Mar 2014

- Created XBRL-tagged financial statements from SEC filings (10K, 10Q, 20F).
- Mapped GAAP taxonomy and validated compliance using internal quality checks.
- Communicated with Tier 1-3 clients regarding discrepancies and ensured on-time Deliveries.

Education:

- MBA (Finance) – Visvesvaraya Technological University, 2011 – GPA: 7.68
- BBM (HR) – Bangalore University, 2009 – 67.44%
