

Dakotah Yarnell

B.S. Applied Mathematics and Computation

CONCORD, CA 94521

(925)-695-4496

dw.yarnell@gmail.com

Profile

I recently graduated from San Jose State University with interest in statistics and numerical analysis. I have a strong and consistent academic background, achieving 3.7+ GPA throughout both high school and college, while also pursuing personal interests such as martial arts, music performance, and archery. My experience teaching kung fu and archery, as well as tutoring in mathematics has helped hone skills such as communication, team-building, and leadership.
