PROFESSIONAL EXPERIENCE

Virtusa

New York, United States

Technology Intern

June 2024 – September 2024

- Collaborated with A+E Networks on Cross-Platform Viewing and ROI projects, focusing on enhancing data-driven insights across multiple streaming platforms, including AVOD, FAST Channels, SVOD, and MVPD.
- Performed comprehensive program-level analysis to assess viewership and revenue metrics, and developed a validation template using Power BI, applicable for AVOD and scalable to other platforms.
- Created interactive data visualizations and reports to facilitate informed decision-making, enabling clear presentation of metrics such as total minutes viewed and total revenue across top programs.
- Enhanced data accessibility and usability, contributing to faster insights and improved team efficiency.

Kissflow

Chennai, India

Marketing Intern

November 2022 – May 2023

- Consolidated leads and recommended appropriate lead stages, ensuring a systematic approach to lead management.
- Optimized lead management processes using the Apollo enrichment tool and HubSpot CRM, which improved data integrity and streamlined workflow.
- Developed citizen development skills by designing an internal app for the Marketing team of 100-150 employees, enhancing operational efficiency and process replicability.
- Revamped outreach strategies for the SEO team by leveraging Moz, Ahrefs, and SEMrush, achieving overall team objectives in brand recognition and market engagement.

Byju's

Chennai, India

Business Development Executive

April 2022 – August 2022

- Executed on-field marketing involving customer interaction with potential customers.
- Established sales leads weekly by utilizing excellent verbal communication with potential customers to collect relevant data and upgrade weekly lead status.
- Accelerated successful campaigns for need creation and mastered BTL marketing for sales conversion.

VOLUNTEERING

Cultural Secretary - Loyola Students Union (LSU)

Curated, managed, and documented cultural performances to ensure seamless event execution. Collaborated with professors to coordinate cultural activities, strategically planning and scheduling events while optimizing logistics such as date, time, venue, and agenda. Effectively communicated event details to stakeholders, including staff and students, showcasing strong organizational and interpersonal skills
