## ABOUT ME

I'm a healthcare management professional with a PharmD and a Master's in Hospital Administration (MHA) from MAHE, Manipal. My experience spans clinical pharmacology, pharmacotherapeutics, and healthcare consulting, with a strong foundation in data analysis and patient care optimisation.

I've worked hands-on in hospital settings, including an internship at AIG Hospitals Hyderabad and postings at Kasturba Hospital. My research has deepened my understanding of patient care and health outcomes and quality of care.

## EXPERIENCE/ INTERNSHIP

### Medicover Hospitals, Kakinada — *Management and Operations Intern*

February 2025 - May 2025

- Worked collaboratively under the guidance of the Medical Superintendent, Centre Head and gained valuable insights through close mentorship
- Streamlined the bottleneck issues during the ultrasound procedure wait time
- Monitor and submit a monthly report of the census from each clinical department to identify the bottleneck issues
- Surgical kit standardisation in the department of Cardiology and Orthopaedics for cost optimisation.
- In the process of renewing the Directorate of Medical Education (DME) license, and paperwork. Also, segregated and documented the other licenses (AERB, BMW, and Pollution) that were about to expire.
- The empanelment process of ESIC secondary care services.
