Summary of Experience

Proactive Senior Clinical Data Manager with 10+ years of experience in leading global clinical trials. Expert in end-to-end data management, regulatory compliance, and the integration of AI/ML tools to optimize data quality, integrity and operational efficiency. Proven track record in team leadership, strategic planning, and driving process improvements in complex clinical environments.

Therapeutic Experience

- Immunology and Vaccines (Phase II, Phase III)
- Cardiovascular (Phase I, II, III, IV)
- Respiratory (Phase I, II, III and IV)
- Oncology (Phase I, II, III, IV)
- Dermatology (Phase II, III)
- Neurology (Phase II, III)
- Infectious diseases (Phase II, III, IV)

Professional Skills

- Serve as primary CDM point of contact for internal and external stakeholders, driving alignment of data collection requirements and cross-functional collaboration
- Lead the development and review of key study documents including Data Management Plans (DMP), Data Validation Plans (DVP), Data Review Plans (DRP), and eCRF Completion Guidelines
- Chair Data Quality Review meetings to monitor data currency, quality, and completeness throughout the trial lifecycle, ensuring high-quality, reliable, and inspection-ready clinical trial data
- Oversee vendor and FSP/CRO performance, including deliverables tracking, budget negotiation, governance, and compliance with SLAs
- Provide coaching, mentoring, and line management to CDM team members, supporting individual development, performance reviews, and career growth
- Manage resource planning and allocations across CDM studies, contributing to hiring decisions and talent development initiatives
- Represent Data Management on cross-functional and regulatory submission teams, contributing to inspection readiness and supporting audits
- Drive continuous improvement initiatives within CDM, including CAPA implementation and global process optimization efforts
- Strong communicator, demonstrating excellent written, oral and presentation skills
- Actively participate in global initiatives and industry forums such as Society of Clinical Data Management (SCDM), staying current with evolving CDM standards and practices
- Demonstrate strong project management, stakeholder engagement, and problem-solving skills to ensure on-time delivery of CDM milestones

Employment History

Senior Clinical Data Manager, Data Solutions, Duke Clinical Research Institute 06/2024 – Present

- Lead Data Manager on multiple mega industry projects
- Chaired Data Quality Meetings
- Developed Python-based API code for downloading study records for the study with 11,000 participants
- Automated edit-checks and free text review plan with SQL (Azure SQL Database)
- Contributed to database lock of 5 industry and mega-trials

Senior Clinical Data Manager, Data Management, BioInformatiCo Pvt Ltd. 02/2023 – 05/2024

- Established and led the Clinical Data Management (CDM) department from inception, developing foundational processes, SOPs, and infrastructure to support global clinical trials.
- Lead Clinical Data Manager on three individual Phase III randomized vaccine studies (Moderna COVID-19, Oncology therapeutics and TB vaccine at Fred Hutch Cancer Research Center)
- Developed Audit Trail Review and RBQM Reports

Senior Clinical Data Manager, Data Management, CliniOps Inc 02/2022 – 02/2023

- Served as a Lead for DM activities for multiple global trials

Head, Data Management, Ixoreal BioMed Inc (Shree Kartikeya Pharma Group) 01/2021 – 04/2022

- Vendor oversight for multiple global trials

Clinical Data Associate III, Project Management, iVRS 04/2019 – 04/2021

Clinical Data Associate I/III, Project Management, Narayana Health 06/2016 – 04/2019

Clinical Pharmacologist, Pharmacology, Bangalore Baptist Hospital 08/2015 – 06/2016

Licensure / Certifications

- Human-Centered AI Specialist - [Applied AI Lab: Deep Learning](#)
- Clinical Data Scientist – [Applied Data Science Lab](#)
- Data Analyst Certification- Tableau/Power BI, SQL and Python from DataCamp
- **Certified Clinical Data Manager (CCDM)**. Society of Clinical Data Management
- Clinical Trials Data Management and Quality Assurance, Johns Hopkins Bloomberg School of Public Health
- Good Clinical Practice Certification from NIDA Center for Clinical Trials, Department of Health and Human Services, USA

Technical Skills

- CDISC- CDASH & SDTM Mapping
- Risk-based SDLC Documentation, Validation procedures and discrepancy management
- Designing of Electronic Case Report Forms (eCRF)
- CTCAE
- Interpretation of Protocol and other essential study documents
- EDC: Rave (Medidata), OpenClinica, Veeva Vault, Zelta -Merative, Advantage eClinical, CliniOps, REDCap EDC, Oracle Clinical Database
- Python, R, SAS, Power BI, SQL, Tableau, Business Object, Spotfire, JReview
- Data Management Plan and CRF Completion Guidelines.
- Medical Coding: MedDRA, WHO-DD
- SAE reconciliation, non-CRFs data reconciliation
- API Design and Usage for clinical data management

- Git hub usage for version control of code
- New Drug Application (NDA)/Biologics License Application (BLA)/Market Authorization Application (MAA)
- Microsoft Office (Excel), MS Project
- Jira, Confluence
- IRT System (Almac, IQVIA, Everest)
- Risk-Based Monitoring (RBQM), Statistical Monitoring and Audit Trail Report
- Phlex eTMF, Vault eTMF, SharePoint eTMF
- 21 CFR Part 11, ICH-GCP E6 (R3)/ E8(R1)
- Key Performance Indicators (KPIs)

Professional Memberships

- Member, Society for Clinical Data Management, Inc
- Member, ISPOR - The Professional Society for Health Economics and Outcomes Research (Real World Evidence Synthesis)

Presentations

Banini, B., & **Chauhan, S.** (2022, September). Sex differences in alcohol associated hepatitis in the United States. Presentation at the Yale Conference on Alcohol Research and Education (YCARE), Yale School of Medicine, USA.

Education

Stanford School of Medicine

Diploma, Medical Statistics

2022

Rajiv Gandhi University of Health Sciences

Doctor of Pharmacy, Clinical Therapeutics

2016

Thesis: A Prospective Study on Drug Utilization Pattern of Antibiotic in Inpatients Medicine Department at A Tertiary Care Hospital

Professional Awards and Honors

- Valedictorian – Rajiv Gandhi University of Health Sciences, 2016
- Best Poster – Harnessing Automation to Modernize Clinical Trial Operations and Data Quality Narayana Health, 2019
- Recipient of Board-Certified Medical Affairs Specialist (BCMAS) Scholarship from ACMA, NY, USA.
