

Erica N. Richardson

Macon, NC | 252-213-5840 | enrichardson@yahoo.com

Professional Summary

Strategic and detail-oriented Claims Operations Analyst III with 10+ years of experience optimizing healthcare and Medicaid claim workflows, ensuring regulatory compliance, and driving cross-department efficiency. Proven ability to analyze data, lead process improvements, and mentor staff to exceed performance metrics while maintaining audit readiness and accuracy.

Core Competencies

Claims Management | Medicaid/Medicare Compliance | Data Analysis & Reporting | Audit Readiness | Process Improvement | Cross-Functional Collaboration | Systems Optimization (Facets, Revitas/Flex, OnBase) | Training & Documentation | MS Excel (Pivot Tables, VLOOKUP)

Professional Experience

Prime Therapeutics / Magellan Rx — Pharmacy Rebate Analyst (Oct 2019 – Present)

- Lead claim-level analysis and reconciliation for state Medicaid programs and manufacturer rebates ensuring on-time, accurate submission.
- Identify trends in payment errors and implement corrective workflows, reducing discrepancies 15% year over year.
- Partner with IT and compliance teams to test system enhancements and document process improvements.
- Train peers on audit protocols, data validation, and report generation to sustain departmental accuracy standards.

Low Country Urgent Care — Billing & Claims Processor (May 2017 – May 2019)

- Researched and resolved complex eligibility, payment, and authorization discrepancies across multiple payers.
- Created reference guides for claim review procedures adopted across two regional offices.
- Delivered daily productivity and accuracy metrics supporting management decision making.

Rural Health Group, Norlina NC — Pharmacy Technician (Jun 2013 – May 2016)

- Maintained medication inventory, verified insurance coverage, and ensured compliance with FDA and payer guidelines.
- Supported pharmacists with high-volume prescription processing, emphasizing data accuracy and confidentiality.
