- **Business Applications:** Microsoft Excel, Access, PowerPoint, SAP, SAS
- **Programming Languages:** Python, C#, Visual Basic
- **Support & Collaboration Tools:** JIRA, Confluence, ServiceNow

Professional Experience

Walmart Inc., Bentonville, Arkansas

Associate Systems Engineer

August 2021 – April 2023

- Delivered Level 2 IT support, collaborating with cross-functional teams to resolve complex vendor-related system issues.
- Analyzed large datasets using SQL (BigQuery, MS SQL Server) to identify discrepancies and support improvements in Retail Link's Decision Support System (DSS).
- Created and maintained dashboards and reports to track system performance and key metrics, assisting stakeholders with data-driven decisions.
- Developed troubleshooting guides and SQL scripts to streamline support processes, improving team efficiency and reducing issue resolution time.
