

Hetal Gandhi

Austin, TX, USA | 737-297-3359 | gandhihetal65@gmail.com | [LinkedIn](#)

Summary

Highly motivated Electrical Engineering graduate with a strong foundation in data analysis and visualization, actively seeking an entry-level Data Analyst role. Eager to apply proficiency in Microsoft Excel, Tableau, and SQL, combined with a passion for problem-solving and data-driven insights, to optimize business processes and enhance decision-making. Proven ability to clean, analyze, and present complex data to support strategic initiatives.

Skills

- Data Analysis & Business Intelligence: Microsoft Excel (Advanced: Pivot Tables, VLOOKUP, Charts, Formulas, Conditional Formatting), Tableau (Dashboard Design, Data Visualization, KPI Tracking, Interactive Reports), SQL (Data Querying, Database Management)
- Programming & Automation: Python (Basic experience for data manipulation and automation scripting)
- Core Competencies: Data-Driven Decision Making, Analytical Thinking, Problem Solving, Process Optimization, Report Generation, Cross-functional Communication, Continuous Learning, Time Management

Projects

Sales Performance Dashboard

- Designed and implemented a comprehensive sales dashboard in Tableau, providing critical insights into total revenue, quantity sold, top customers, top products, and annual revenue trends.
- Executed end-to-end data cleaning and structuring processes using Excel and SQL, preparing raw sales data for robust analysis.
- Incorporated dynamic filters (product category, region) to enable interactive exploration and support strategic decision-making for sales and marketing teams.

Customer Data Automation & Reporting (Excel)

- Streamlined customer data processing by cleaning and summarizing raw datasets to identify and report monthly trends.
- Automated routine reporting tasks using Excel's Pivot Tables and Conditional Formatting, enhancing efficiency and accuracy in data presentation.

Courses & Certifications

- Data Science Course – Coursera, 2025
- Excel for analysis, Tableau dashboards, SQL.

Education

Bachelor of Engineering (B.E.), Electrical Engineering
Gujarat Technology University, Ahmedabad, GJ, India | June 2016

Additional Information

- Open to internships or entry-level roles to gain industry exposure and contribute to dynamic teams.
- Strong passion for leveraging data to solve complex problem and drive business growth.
