SUMMARY

Analytical Business Operations Manager with proven experience transforming data into actionable insights to optimize processes and drive strategic decisions. Skilled in data visualization, reporting, and business process improvement with hands-on expertise in Syft Analytics, CRM platforms, and financial systems. Strong background in project coordination, documentation, and stakeholder communication. Currently pursuing a Bachelor's in Business Administration with a focus on Business Analytics, sharpening advanced skills in data modeling and visualization. Excels at blending analytical thinking with practical execution to deliver measurable results.

EXPERIENCE

SOMERSET COUNTY CHAMBER OF COMMERCE | SOMERSET, PA

Business Operations Manager | Jan 2025 – Present

- Analyzed and optimized financial and membership data by transitioning from QuickBooks Desktop to QuickBooks Online and migrating member data to a cloud CRM, reducing manual entry errors by 40%.
- Designed and maintained financial dashboards with Syft Analytics, delivering monthly reports to two boards and improving strategic decision-making by 15%.
- Coordinated multiple projects across the Chamber and Foundation, including the Workforce Education Program and community initiatives, managing scheduling, reporting, and stakeholder communication.
- Automated administrative workflows cut manual processing time by 30% and reduce reporting errors.
- Generated detailed technical and financial reports that supported planning efforts and helped secure a 10% year-over-year increase in funding.
- Managed bookkeeping, budgeting, and invoicing for accounts totaling over \$750,000 annually.
- Supported marketing strategy by analyzing campaign data and member engagement, contributing to a 20% increase in renewals.

Marketing & Communication Coordinator | August 2023- January 2025

- Used data analysis to tailor marketing campaigns, increasing member engagement and local tourism.
- Conducted market research to inform content creation and strategy adjustments.
- Tracked social media and campaign performance metrics to optimize outreach.
- Assisted in budget monitoring for marketing projects.

Administrative & Marketing Intern | May 2023- August 2023

- Assisted with invoicing, report preparation, and administrative tasks to support office operations.
- Monitored marketing project budgets and timelines, contributing to on-time campaign delivery.
- Developed reports and presentations to aid decision-making and project planning.
