Work Experience

Corporate Paralegal & Compliance Specialist FamilyCare Health Centers | Oct 2024 – Present

- Partner with in-house counsel on regulatory compliance, contract review, and policy initiatives across multi-site FQHC operation.
- Draft, revise, and manage contracts including vendor, service, data use, employment and other various types of agreements.
- Maintain contract management databases while coordinating with department heads to ensure timely executions and renewals.
- Lead development and updates of organization-wide policies and procedures; ensure alignment with state and federal regulations.
- Research legal and regulatory issues; develop training materials and risk alerts on topics such as HIPAA, fraud, and workplace conduct.
- Conduct compliance and risk audits, assist with investigations, and monitor implementation of corrective action plans.

Paralegal – Litigation & Corporate Hissam Forman Donovan Ritchie, PLLC | Apr 2024 – Oct 2024

- Case lifecycle management for civil, bankruptcy, criminal, and appellate matters in state and federal courts
- Drafted varying legal documents, including contracts, pleadings, briefs and agreements, and conducted research on legal matters.
- Managed document review and discovery; supported case filing and e-submission processes.
- Coordinated attorney calendars, deadlines, and court filings for 10+ legal professionals.

Legal Assistant/Paralegal – Litigation Bailey & Glasser, LLP | May 2021 – Apr 2024

- Provided litigation support for attorneys handling cases in personal injury, oil & gas, consumer protection, and civil defense litigation.
- Prepared legal documents, reviewed discovery, and tracked litigation deadlines.
- Utilized legal research platforms and coordinated document production in discovery.
- Supported billing, file organization, and docketing across multiple jurisdictions.

Operations Manager Marriott International | Mar 2018 – May 2021

- Managed internal operations including HR, payroll, vendor contracting, and compliance with brand standards.
- Created and executed employee training programs focused on quality, risk, and service recovery.
- Analyzed financial reports, managed vendor relationships, and ensured operational alignment with regulatory expectations.
