PROFESSIONAL SUMMARY

GRC professional with 4+ years' experience in IT compliance, SOX 404 ITGC audits, and GRC tools. Skilled in assessing internal controls, performing risk assessments, leading audit engagements, and documenting findings. Strong foundation in IT security, IAM, and compliance frameworks. Knowledgeable in IT compliance and security frameworks including SOC, PCI DSS, and HIPAA, with a strong foundation in ITGC and GRC practices. Looking forward to pursuing industry certifications in the future.

EXPERIENCE

CAREER BREAK, New Jersey

May 2022–Present

- Took a planned career break while awaiting U.S. work authorization (currently holding valid H4-EAD).
- Maintained expertise through online training in ITGC frameworks, IT security principles, SOX 404 compliance, and GRC tools (ServiceNow, AuditBoard).
- Stayed current on industry practices, including SOC, PCI DSS, HIPAA, and governance, risk, and compliance trends.
- Seeking full-time opportunities in Security Governance, Risk, and Compliance to leverage prior SOX, ITGC, and stakeholder management experience.

GRC ANALYST, Chennai

Freshworks Inc., December 2020–April 2022

- Conducted User Access Reviews and ensured SOX compliance for HR, Admin, and Finance applications.
- Led cross-functional meetings to validate controls, align responsibilities, and resolve compliance issues.
- Documented issues, supported remediation strategies, and strengthened access governance and change management processes.

SOX COMPLIANCE ANALYST, Chennai

Capgemini, June 2017–December 2020

- Performed SOX ITGC testing: Access Management, Change Management, Incident Management, Application Account Reviews, SoD.
- Coordinated walkthroughs and stakeholder meetings with auditors, IT teams, and control owners.
- Validated control evidence, reported findings, conducted root cause analysis, and supported remediation planning.
- Implemented process improvements that reduced testing cycle time by 15%.
- Project: GE Capital SOX Testing – General Electric Capital Treasury, USA.

EDUCATION

B.SC. IN MATHEMATICS

Muthayammal College of Arts & Science, April 2017
