INTENDED TARGET: Graduate Intern, entry level Financial Analyst, Equity Research or Credit/Debt Analysis.

SUMMARY OF QUALIFICATIONS:

- Experience in fundamental analysis, discounted cash flow modeling, and equity research.
- Knowledge of corporate finance, financial/managerial accounting, financial modeling, financial derivatives, regulatory compliance, Bloomberg Research, valuation, and technical writing.

EDUCATION:

Suffolk University • Boston, MA (May 2024) GPA: 3.77

MBA - Concentration in Finance

The University of Maine • Orono, ME (May 2020)

BS - Business Administration, Finance and Management

RELEVANT EXPERIENCE:

Student-Run Portfolio Investment Fund (SPIFFY), Sector Head (Sept 2019-2020)

Assisted in managing approximately \$3.5 million as a portion of the University of Maine endowment fund and creating our overall portfolio allocation strategy. As a Sector Head, I was personally responsible for overseeing the performance of consumer cyclicals, financials, and materials sectors of the market, which cumulatively totaled \$500,000.

TECHNICAL SKILLS AND CERTIFICATIONS:

- Microsoft advanced Excel, PowerPoint, and Word
- SQL programming language
- Bloomberg Market Concepts

EMPLOYMENT HISTORY:

Bob's Clam Hut • Kittery, ME, 03904 (2015-present, **Manager** since June 2021)

- In a leadership role, I have guided operations that support revenues that exceed \$5MM annually.
- Through my tenure, I fully funded undergraduate and graduate tuition, including living expenses at the University of Maine, cutting my overall college costs in half.
- Progressive advancement in roles starting as a busboy, moving to cashier, line cook, team member (peer leadership) and finally Manager.

Inn on Peaks Island • Peaks Island, ME, 04108, **Event Management Intern**

- Organized events including weddings, Shriners brunches and comedy shows with the focus on meeting client expectations. Responsible for setting floor plans, preparing the venue, and running all aspects of the ceremony, dinner service and reception.
