Work Experience

December 2023 –
June 2025

Senior Epidemiologist

CDC Foundation

- Developed new data processes for respiratory disease surveillance for the State of Rhode Island.
- Analyzed and cleaned public health data using SAS and SQL to enhance COVID-19 surveillance.
- Evaluated data quality and reliability, ensuring accuracy for public reporting.
- Developed and monitored COVID-19 surveillance metrics to track trends.
- Managed data interfaces with NEDSS and ESSENCE for reporting and decision-making.
- Led equity-focused data analysis to identify health disparities and inform interventions.
- Mentored Junior analysts on methods and procedures to help them improve their coding and documentation.

June 2020 –
December 2023

Data Analyst

Adil Business Systems

- Analyzed COVID-19 operational data for efficiency and SLA adherence.
- Consulted on data architecture improvements for large datasets in AWS.
- Trained and oversaw junior analysts in coding, process improvement, and record keeping.

March 2019 - May
2020

Research Assistant

Project Connect (PI: Angela Bengtson, PhD, MA)

Brown University, Providence, RI

- Designed and tested surveys for epidemiological research studies.
- Monitored and managed data collection processes to maintain research integrity.
- Cleaned and analyzed data using SAS to extract meaningful insights.

December 2018 -
December 2019

Research Consultant

Project VOICE: NOW (PI: Jaclyn White Hughto, PhD, MPH)

Brown University and Fenway Institute, Providence, RI and Boston, MA

- Assisted in survey design and testing for community-based public health research.
- Recruited study participants and ensured compliance with study protocols.
- Conducted data cleaning and statistical analysis in R to assess key health indicators.

Education

- Sept 2018 - May 2020 **ScM in Epidemiology**
Brown University, School of Public Health – Providence, RI
 Thesis: Differences in Risk and Protective Factors of Depression and Suicide by Gender Identity. (Advisor: Jaclyn White Hughto, PhD, MPH)
- Sept 2015 - May 2018 **BS in Health Sciences**
Boston University, Sargent College – Boston, MA
 Minor: Women's, Gender and Sexuality Studies
 GPA: 3.7/4.0 | Magna Cum Laude | Presidential Scholar

Technical Skills

- **Data Analysis:** SAS, R, SQL, Python
- **Data Management:** REDCap, Salesforce, APIs, SFTPs
- **Health Data:** NEDSS (NBS), ESSENCE, ICD-10, EHR, LOINC codes
- **Protocol Creation:** Standard Operating Procedures (SOPs), Statistical Analysis Plans (SAPs), Data Management Plans
- **Software Proficiency:** AWS, Microsoft Excel, PowerPoint, Word, Outlook
