

Jaclyn Wynia

San Jose, CA ♦ (408) 643-3736 ♦ jaclynramirez123@gmail.com ♦ www.linkedin.com/in/jaclynwynia

SKILLS

SQL (BigQuery), spreadsheets (Google Sheets and Excel), R (Posit Cloud), Tableau (data visualizations)

PROJECT

Cyclistic Case Study

- ♦ Worked through a case study provided by the Google Data Analytics Certificate
- ♦ Learned how to clean data sets by renaming columns, matching data types, merging the data into one data frame, removing unnecessary columns, and inspecting the final product to ensure accuracy
- ♦ Analyzed the clean data by performing calculations and using summary functions in R

WORK EXPERIENCE

TMT Enterprises, Inc., San Jose, CA

February 2024 - June 2025

Accounting and Administrative Assistant

- ♦ Manually processed an average of 100 delivery tags throughout the week and entered the week's batch into Varipro every Friday
- ♦ Quickly learned the high-complexity procedure to process delivery tags based on their type
- ♦ Professionally communicated with customers and vendors via phone and email
- ♦ Updated and helped maintain the Excel spreadsheet used to dispatch drivers

EDUCATION

LeTourneau University, Longview, TX

January 2021 - May 2023

- ♦ B.S. in Mathematics
- ♦ 3.78 GPA, magna cum laude
- ♦ Minor in Business Administration
- ♦ Calculus I-III, Differential Equations, Mathematical Modeling, Numerical Analysis, College Geometry, Statistics, Real Analysis, Abstract Algebra, Introduction to Research

CERTIFICATION

Google Data Analytics Certificate

February 2025 - August 2025

- ♦ Learned how to clean and manipulate data in spreadsheets, SQL and R
- ♦ Explored conditional formatting, pivot tables, filters, nested queries, JOIN functions, tidyverse packages, ggplot2, and R Markdown
- ♦ Introduced to Tableau and how to build data visualizations
