PROFILE

Seeking the IT position at your company leveraging my 5 years of experience in the IT industry to contribute to your company infrastructure. First line of support for 700+ users, resolving 96% of issues within 24 hours. Assisted C-Level Executives and users with white glove service in-office and remote; troubleshooting Windows 10/11, macOS, Office Suite, and other applications. Re-imaged PCs and laptops with LiteTouch and ultimately used InTune to customize and image machines. Doing all this while taking care of office issues, managing IT tickets, answering the IT hotline; ordering, prepping, shipping equipment for new users, onboarding, troubleshooting printers, scanners – which requires time management and multi-tasking.
