

JAEKUK SONG *Data Scientist*

US | South Korea • (614) 620 - 4838 • jsongfoto@gmail.com • linkedin.com/in/jay-song-data

I am a recent graduate at **Ohio State University** who majored in **Data Analytics**. I have strong foundations in Mathematics, **Statistics**, and **Computer Science**. I enjoy doing hands-on projects. My personal philosophy is: "I keep trying to learn. Therefore, I exist."

PROFESSIONAL EXPERIENCE

Fisher College of Business, Research Assistant

Jan / 2024 – May 2024

- o Help post doctoral researchers analyze over **100,000 - 1,000,000 rows of data**
- o **Use Python** for machine learning project (**Human name detection**)
- o Introduce automated system that allows work done **300% faster**

College of Optometry, Research Assistant

Sep / 2023 – Dec 2023

- o Help postdoctoral researcher a **Deep Learning Algorithm (Cross Correlation)**
- o Analyze **unstructured data (series of photos)**
- o **Predict** potential disease on retina
- o Daily heavy coding in **Python environment**

DOmedia LLC, Data Intern

Apr / 2019 – Jul 2019

- o Write **mySQL** query to access the data on a daily basis
- o Extract, transform, load data

EDUCATION

Bachelor of Science, Data Analytics • Ohio State University

Spring 2025

PROJECT

- o Analyze **financial health data** by **machine learning** face to face w/ Honda America Inc's data managers.
- o Predict **next quarter's profit** by **machine learning** face to face w/ Honda America Inc's data managers.
- o Participate **US national data analysis competition**(Datafest 2025) w/ real estate data
- o Participate **Big Data Analytics Association** student club weekly for 3 years at Ohio State University
- o Participate **AI Club** student club weekly for 2 years at Ohio State University
- o Take Data Management in Cloud class at Ohio State University (**ETL**, Hadoop, Spark)
- o 3 big SQL projects
- o 6 dashboards project in Tableau

CERTIFICATES & AWARDS

- o ISO 27001 – **Information Security Lead Auditor** by **International Standardization Organization**
- o Win Data Analytics **Scholarship** at Ohio State University
- o Named on **Dean's list** at Ohio State University
- o **5 awards** from ROKA

Skills

- o Math(1,2,3), Java(I, II, III), Statistics(1,2,3,4,5,6,7), Operating Systems, LP, **Python**, SQL, Linear, Logistic Regression, Classification, Clustering, Dimensionality Reduction, Anomaly Detection, Data visualization (I, II, III, IV) etc.
