PROFESSIONAL EXPERIENCE

School Manager

Solstice - Matsuyama, JP

April 2023 – April 2025

- Coordinated teacher schedules to ensure equal class allocation and work-loads based on the teacher's skill levels
- Maintained comprehensive pick-up and drop-off lists for approximately 30 students each week, ensuring safe and efficient transportation for students
- Received positive feedback from parents for maintaining open lines of communication and delivering exceptional service.

Kindergarten English Instructor

Aiko Kindergarten - Matsuyama, JP

August 2021 – March 2023

- Developed fun and engaging English lesson plans for children ages 2-6 in classes of approximately 25 students
- Led and directed the students in a yearly dramatic production of a popular children's movie in front of a crowd of about one-thousand people
- Assessed children's language development to implement materials appropriate to the students' English levels

Assistant Language Teacher

Matsuyama Board of Education - Matsuyama, JP

July 2019 – July 2021

- Worked closely with Japanese teachers to develop and organize engaging English lesson plans for junior high and elementary school students
- Provided students with feedback on public speaking skills in preparation for prefectural English-speaking contests
- Led cultural exchange activities teaching students and instructors about life and culture in the United States
