

KC Tempora

1448 Leegate Rd NW Washington, DC 20012 • mariak1731@gmail.com • (202)-841-4041

Experienced healthcare professional with 8+ years in patient care, clinical documentation, and clinical operations, with a strong focus on leadership and data-driven decision-making. Proven track record of leading workflow improvements and pioneering scribing practices that enhance efficiency and provider accuracy. Skilled in leveraging analytics to inform clinical strategies and optimize outcomes. Proficient in Electronic Health Record (EHR) systems, medical terminology, and fostering high-trust relationships with physicians.

Professional Experience

Virtual Physician Partner II

N-POWER MEDICINE, Remote

August 2022–Present

- Pioneered the Virtual Partner role for a start-up clinical research and drug development platform company, including: creation of clinical documentation standards, development of real-time scribing practices, and development of workflow improvements that drove 90% improvement in partner efficiency and improved documentation accuracy.
- Enabled faster, data-driven treatment decisions by delivering 8,000+ real-time virtual documents to oncology and hematology providers—driving improvements in patient care and clinical trial enrollment.
- Assisted in the onboarding and implementation of new healthcare providers, ensuring smooth integration into clinical workflows and compliance with organizational protocols.
- Assisted in the recruitment, interviewing, and onboarding of new Virtual Physician Partners (VPPs), helping to build a high-performing team and ensure a smooth transition into clinical operations.
- Directed cross-functional collaboration to streamline VPP workflows and enhance data reporting, boosting operational efficiency and accuracy; provided insights that improved physician satisfaction, supported clinical trial screening, and elevated overall service quality.
- Served as a key member of the Quality team, conducting comprehensive audits to ensure compliance with internal standards and regulatory requirements, identifying process improvements to enhance operational efficiency and accuracy.
- Led the AI Gold Standard Initiative, driving the development and implementation of best practices for ethical, effective, and scalable AI adoption across the organization, resulting in improved model reliability and cross-functional alignment.
- Ensured full compliance with GCP, HIPAA, and institutional standards by utilizing EHR systems to document assessments, procedures, and provider orders.

Clinical Associate

THE CENTER FOR ADVANCED ORTHOPAEDICS, Remote

May 2021–August 2022

- Designed and implemented a new training protocol for clinical associates, leading to measurable improvements in documentation accuracy, workflow efficiency, and overall performance of virtual support teams.
- Coordinated diagnostic imaging, laboratory orders, specialist referrals, and procedures for 300+ patients, ensuring timely evaluations, adherence to clinical protocols, and seamless continuity of care.
- Facilitated weekly clinical operations meetings to improve workflow efficiency, care coordination, and interdisciplinary communication among orthopedic teams.
- Optimized EHR documentation for 200+ patient interactions weekly, ensuring HIPAA and GCP compliance while improving coding accuracy by 25% and reducing treatment eligibility review time by 30%.

Medical Scribe/Medical Assistant

THE CENTER FOR ADVANCED ORTHOPAEDICS, Bethesda, MD

October 2017 -May 2021

- Accurately documented and analyzed comprehensive patient histories, physical exams, and treatment plans, significantly boosting physician efficiency and elevating the quality of patient care.
- Led training and mentorship of 5+ new scribes and medical assistants, accelerating onboarding and fostering team efficiency and clinical accuracy.
- Delivered comprehensive clinical support to five orthopaedic physicians by assisting with procedures, preparing injectables, prepping exam rooms, and managing durable medical equipment (DME)
- Spearheaded pre-authorization and insurance verification processes for Xifax procedures, ensuring timely approvals and minimizing treatment delays through proactive communication with payers and clinical teams.
- Coordinated and optimized surgical scheduling by aligning patient availability, surgeon calendars, and facility resources, improving case throughput and reducing wait times.
- Managed medical inventory and marketing operations, leveraging analytics to reduce waste, maintain brand consistency, and enhance patient outreach.

Education

UNIVERSITY OF PENNSYLVANIA, Philadelphia, PA

May 2021

School of Nursing | Completed foundational coursework toward Accelerated BSN/MSN

Relevant coursework: Anatomy & Physiology, Cellular Biology, General/Organic Chemistry, Microbiology, Nutrition, Pathophysiology & Pharmacology, Psychological and Social Diversity in Healthcare, Pathways to Practice, Physical Assessment

VASSAR COLLEGE, Poughkeepsie, NY

May 2016

Bachelor of Arts in Psychology (Pre-Med Track)

Vassar Women's Soccer Team Member | Black Student Union | Scholarship Ambassador

Additional Skills

MS Office Suite, Google Workspace, Medical Terminology, Clinical Documentation, Regulatory Compliance, Data Analysis & Management, Patient-Centered Care & Communication, Research Methodology, Project Management, Multitasking in Fast-Paced Environments, Multidisciplinary Team Collaboration, Healthcare Software Management, EHR Systems Management (Cerner, Epic, EMA Modmed, Phoenix Ortho, Greenway, OncoEMR), Healthcare Analytics, Quality Assurance, Quality Auditing, Medical Billing & Coding

Certifications

CRC Foundations

HIPAA Basics for Healthcare Professionals

GCP for Clinical Trials with Investigational Drugs and Medical Devices (U.S. FDA Focus)

Information Privacy & Security (IPS)

Medical Terminology Specialization
