Education

B.S. in Mechanical Engineering

Graduated: Aug 2023

Instituto Federal do Espírito Santo (IFES) – Vitória, Brazil

Professional Summary

Mechanical Engineering graduate with experience in structural inspection, technical reporting, and data analysis. Skilled in documentation, preventive maintenance planning, and process improvement. Bilingual in Portuguese and English, with proven collaboration across multidisciplinary teams and the ability to deliver results in fast-paced, detail-driven environments.

Technical Skills

- BIM & CAD Tools: Revit (MEP – basic), AutoCAD
 - Data & Analytics: Power BI, Tableau, Excel (Advanced), SQL (basic)
 - Engineering Tools: LABVIEW, e-AIMMS
 - Core Knowledge: Structural Analysis, Metrology, Asset Integrity
 - Languages: Portuguese (Native), English (Fluent)
-

Professional Experience

Accounting Assistant

ST STONES – Melbourne, FL, USA

Nov 2024 – Present

- Work with financial and operational data to support daily business decisions.
- Identify inconsistencies, propose solutions, and assist in process improvements.
- Communicate directly with clients to clarify records and resolve billing or documentation issues.
- Contribute to the organization's efficiency by ensuring accurate data entry and clear reporting.

Quality Inspector III – Structural Integrity

KOT Engenharia – Contracted by VALE S.A., Brazil

Jul 2023 – Feb 2024

- Conducted on-site visual inspections of industrial structures and equipment at VALE S.A., focusing on corrosion, mechanical damage, and safety conditions.
- Assisted in the use of drones to collect visual data from high or hard-to-reach areas, supporting structural evaluations.
- Produced detailed technical reports and inspection documentation aligned with ISO standards, helping guide maintenance and repair decisions.
- Used Revit for basic modeling tasks and to support documentation of structural elements.
- Collaborated with engineers to recommend preventive actions and integrity solutions

Internship – Audit Support

Brazilian Federal Court of Accounts (TCU-ES), Brazil

Mar 2021 – Mar 2022

- Developed dashboards using Power BI and Tableau to assist audit teams.
- Organized public datasets and ran basic queries using SQL and Excel.

Freelance Support – Data Tasks

The Resume Ritz™ – Remote

Nov 2022 – Oct 2023

- Gained hands-on experience in data cleaning, formatting, and identifying which data points were most valuable for analysis.
 - Learned how to select and organize relevant information to improve clarity, impact, and keyword alignment in resumes and reports.
 - Worked with spreadsheets and presentation tools to highlight key trends and recommendations for clients across industries.
 - Strengthened understanding of data structure, logic, and communication, helping connect data insights to practical outcomes.
-

Certifications

- Google Data Analytics (2023)
- Six Sigma Quality – IFMG (2021)
- Tableau for External Control – TCU-ES (2021)
- Technical Course in Metrology – Vale S.A. (2019)
