PROFESSIONAL EXPERIENCE

Reverence Care – Remote

Scheduling Operations Associate

May 2025 – Present

- Track and resolve an average of 80-100 tickets per week through ZenDesk, ensuring consistent documentation and timely communication
- Manage and protect sensitive Patient Health Information (PHI) in compliance with HIPAA regulations
- Communicate schedule updates and changes to caregivers and clients, maintaining high service quality using multiple software systems (WellSky, AxisCare, ZenDesk) to manage data and enhance client service

Northwestern University – The Feinberg School of Medicine, Chicago, Illinois

Research Study Coordinator

September 2024 – Present

- Successfully coordinate and manage multiple aspects of a research study, including participant recruitment, data collection, and study documentation, to guarantee adherence to timelines and protocols
- Allocate funds, process payments, and generate detailed weekly financial reports across multiple projects, ensuring accuracy and budget adherence
- Facilitate daily operations, including tracking study activities, and leading the development and refinement of study surveys within REDCap to drive efficiency and data accuracy

Research Study Assistant

July 2022 – August 2024

- Lead and coordinate training sessions for team members on the recruitment and enrollment, ensuring smooth onboarding and proficiency within our team
- Utilize Epic Systems to perform and average of 40 comprehensive chart reviews per day, ensuring accurate data collection and analysis for research studies
- Collaborate with team members to achieve recruitment and enrollment milestones, contributing to the timely and successful completion of study objectives

Conduent, Lexington, Kentucky

Customer Service Chat Agent

May 2020 - August 2020

- Delivered expert guidance to customers on Apple hardware and software to enhance user experience and product knowledge
- Provided efficient troubleshooting support via chat for a range of Apple-related issues to ensure timely and accurate resolutions
- Collaborated with a team to effectively triage and escalate complex issues to Tier II Associates to maintain high customer satisfaction
