Experience

Business Analyst - Wipro Feb 2024 – Present

- Drove customer retention up by 20% by developing targeted feedback mechanisms, analyzing customer data, and providing actionable insights that informed strategic decisions and improved customer satisfaction.
- Oversaw the integration of a new CRM system, enhancing lead management efficiency by 30%. Collaborated with cross-functional teams to ensure seamless implementation, data migration, and user training, resulting in improved sales processes and customer relationship management.
- Identified \$1.5M in annual waste by conducting a comprehensive analysis of operational inefficiencies. Implemented strategic solutions, such as process optimization and resource allocation adjustments, leading to a 60% reduction in waste and substantial cost savings.
- Created data visualization dashboards using Tableau and Power BI to present complex datasets in a clear and actionable manner. These dashboards provided senior management with real-time insights into key performance metrics, facilitating data-driven decision-making.
- Conducted market research and competitor analysis, uncovering new business opportunities that resulted in a 15% increase in market share. Delivered detailed reports and recommendations that guided strategic planning and helped the company capitalize on emerging trends and industry shifts.

Business Analyst Intern - CHS Inc Aug 2022 – Aug 2023

- Analyzed complex datasets to extract actionable insights, enabling informed decision-making that directly influenced business strategies.
- Led multiple projects from conception to execution, collaborating with cross-functional teams to ensure alignment and timely delivery of objectives.
- Identified inefficiencies in workflows and implemented innovative solutions, resulting in a 15% increase in operational efficiency across key departments.
- Fostered strong relationships with stakeholders by actively listening to their needs and presenting data-driven recommendations that enhanced collaboration and trust.
- Created comprehensive reports and visually engaging dashboards that simplified complex data, facilitating clear communication of findings to senior leadership.
- Worked alongside diverse teams, enhancing my ability to navigate various business functions and contribute to a cooperative culture focused on shared goals.
- Participated in mentorship programs and leadership roundtables, gaining invaluable insights from senior leaders and expanding my professional network within the organization.
- Delivered significant value through my analysis and recommendations, positioning myself as a key contributor to CHS Inc.'s ongoing success and innovation in the industry.

Peer Tutor - College of DuPage, Glen Ellyn, Illinois May 2021 – May 2022

- Enhanced peers' comprehension of difficult subjects and increased their self-confidence by offering them individualized academic help. This promoted a collaborative learning atmosphere.
- Tailored lesson plans were created and put into action according to the particular requirements of every student, which resulted in notable gains in their academic performance.
- Promoted an environment of trust and open discussion by using great communication skills to succinctly and effectively communicate complex subjects.
- By serving as a mentor to incoming peer tutors and imparting best practices and tutoring techniques, I improved the tutoring program as a whole.
- Progress monitoring allowed for ongoing growth and a deeper understanding of the subject matter by routinely evaluating students' progress and offering helpful criticism.
- Received recognition from faculty and administration for outstanding contributions to the tutoring program, highlighting my commitment to excellence in peer education.
- Networking and Collaboration: Built strong relationships with faculty and other educational staff to align tutoring efforts with curriculum goals, ensuring a cohesive approach to student learning.

Core Competencies

- Strength and passion for turning analytic insights into high-impact actionable plans
- Analytical in conducting competitive/market research, generate, analyze, & interpret data
- Identify and manage existing and emerging risks that stem from business activities
