

SUMMARY

Detail-oriented Computer Science & Engineering graduate with real-world experience in database administration, low-code application development, and cybersecurity fundamentals. Demonstrated success leading award-winning capstone projects and supporting innovation within U.S. Army tech divisions. Seeking an entry-level position in IT systems, information security, or data infrastructure roles. Open to learning any specialized tools or certifications as required.

EDUCATION

Bachelor of Science in Computer Science & Engineering

Graduated: May 10, 2025

J.B. Speed School of Engineering, University of Louisville, Louisville, Kentucky

GPA: 3.0/4.0

Responsible for 100% of tuition

Hours Completed: 133

Honors: Dean's Certificate, 1st Place in Engineering Design & Innovation Showcase (CSE Department)

**TECHNICAL
SKILLS**

Languages/Tools: Python, Java, C/C++, SQL, PowerApps, Microsoft Power Platform, Excel, MATLAB, Git, HTML/CSS

Certifications: Working toward CompTIA Security+ (SY0-601)

Concepts: Database Management, Data Security, Systems Analysis, Networking Fundamentals, Cloud Fundamentals (AWS/Azure)

PROJECTS

Drone Flight Control & Management (Capstone Project) – Spring 2025

- Led software implementation for autonomous drone flight using Raspberry Pi, ROS, PX4, and LiDAR
- Designed and deployed onboard communication systems and flight scripting pipelines
- Coordinated team of five; project won **1st Place** at university showcase among CSE capstones

**PROFESSIONAL
EXPERIENCE**

U.S. Army HRC – Innovations Division

Jan 2023 – Jun 2025

Co-op & Student Developer

Fort Knox, KY

- Supported SQL Server database administration: backups, access control, performance tuning
- Worked with PowerApps team to rebuild and migrate legacy applications from ToolKit
- Applied best practices in data security, logging, and encryption in coordination with DoD teams
- Completed internal training and self-study toward Security+ certification
- Collaborated across multiple departments including Future Capabilities Branch (2024–2025)

**EARLY
EXPERIENCE**

McDonald's / Walmart

Jan 2018 – Aug 2021

Customer Service & Leadership Roles

Louisville, KY

- Held assistant manager responsibilities, managed teams, and developed people skills essential in tech or IT leadership tracks

**ACTIVITIES
& HONORS**

- 1st Place in Engineering Design & Innovation Showcase (CSE Department)
- Dean's List & Dean's Certificate
- Team Captain: High School Varsity Football
- Programming Pathway (high school), Soccer Club, Ping-Pong Club, Guitar Enthusiast
