EMPLOYMENT HISTORY

Casino Host | Data Analysis (Hybrid | Remote): 10/30/14 - 4/8/24

National Casino Marketing (NCM) - Caesars Entertainment, Las Vegas, NV

- Salesforce.com: Assisted 25 Sales Executives (SE's) with guests' reservations related to airfare, hotel, hospitality, & gaming
- MS Excel: Organize & analyze player data to identify potential new revenue
- MS Publisher & Office: Create & distribute casino marketing emails & newsletters
- Lodging Management System (LMS): Hotel Reservations
- Casino Management System (CMS): Casino Gaming Analysis
- Data Analysis in charge of lost revenue
 - MS Excel: Analyzed monthly data from separate platforms to identify lost revenue for 25 SE's
 - Submitted monthly cases with supporting evidence to regain revenue for NCM & obtain commissions for individual SE's
- Special Assistant to Houston Branch VP
 - Evaluated customers' Casino Play to determine current rewards and future promotion eligibility in an effort to drive new trips
 - Draw guests into gaming promotions when hotel inventory was very high
 - Analyzing upcoming promotions to determine when and where we could maximize profitability through group travel
 - Coordinating VP's group-travel; transportation, lodging, welcome reception
 - Managed Excel spreadsheets summarizing guest information (Win/Loss/Comps) when VP travelled with large groups
- Special Assistant to the NCM National Sales Team (NST) Managers
 - Assist NST in training of independent booking agents across the United States
 - Collaborate with the NST on special projects in order to increase group travel across our network of casinos

Flight Processing Coordinator: 7/19/12 - 10/29/14

Enterprise Shared Services Aviation - Caesars Entertainment, Las Vegas, NV

- Training of new hires and re-training existing employees
- Point of contact between coordinators & management, providing administrative support
- Organized monthly distribution of 150 flights amongst 8 coordinators
- Created & Implemented a Post-Trip Grading System to reduce errors & inconsistencies
- Point of contact between airline, casino, hotel, and group Sales Executive (SE)
- Researched individual casino guests to determine level of profitability & eligible rewards
- Produced final flight manifest, uploaded to airline's website, & distributed to group SE

Total Rewards Representative: 4/12/12 - 7/18/12

Flamingo Hotel, Caesars Entertainment, Las Vegas, NV

- Greeted new gaming customers & promoted the Total Rewards program
- Created Total Rewards player accounts and issued player cards
- Maintained the integrity & strict security of the customer database
