Summary

MBA graduate in Business Analytics with over 3 years of experience in project management, operations optimization, and cross-functional team leadership. Strong foundation in Agile methodologies, stakeholder management, and risk mitigation. Skilled in resource planning, budget control, and leveraging data analytics for strategic decision making.

Skills

- **Tools:** Power BI, Excel, Tableau, SQL, Python, Catia V5, C Programming, Microsoft Office suite, Jira, Asana, Smartsheet
- **Analytics & Project Skills:** Data visualization, Regression analysis, Agile, Scrum, Risk Management, KPI Tracking, Workflow Optimization, Inventory Management, Dashboard Development
- **Soft Skills:** Problem-solving, Attention to detail, Collaboration Teamwork, Adaptability & Flexibility, Critical Thinking, Communication Skills, Time Management & Organization

Experience

Aramark | Student Intern

Sep 2024 - Apr 2025

- Implemented strategic workforce planning for peak operational periods, improving resource allocation accuracy by 25% and enhancing service delivery efficiency by 10%
- Established KPI monitoring framework tracking operational metrics, resulting in 10% improvement in service delivery
- Managed complex supply chain operations overseeing 200+ daily transactions while implementing inventory optimization strategies that streamlined procurement processes
- Led training and onboarding programs for 5+ team members, developing standardized procedures that improved efficiency by 20%

Adithya Constructions | Project Manager

Nov 2022 - Jul 2024

- Successfully managed project portfolio worth \$1.5M+, leading cross-functional teams of 10+ members across engineering, procurement, and operations departments
- Managed stakeholder relationships and presented weekly status reports to senior leadership and project sponsors
- Implemented Agile delivery framework, achieving 12% improvement in resource utilization and 15% reduction in project delays
- Developed Power BI and Excel dashboards for tracking project milestones, budgets, and resource utilization
- Applied strategic risk management and competing priority resolution through process mapping and workflow optimization, achieving 8% reduction in project downtime and maintaining 98% budget adherence rate

Adithya Constructions | Project Coordinator

Nov 2021 - Oct 2022

- Streamlined project reporting processes using Excel pivot tables and SharePoint integration, reducing reporting time by 35%
- Led data migration digitizing inventory systems, achieving 30% improvement in data accuracy
- Administered Smartsheet for task allocation and timeline management, ensuring 95% on-time delivery across \$1.8M projects
- Facilitated Agile ceremonies including sprint planning and daily standups, contributing to 18% increase in client satisfaction scores
- Maintained 100% audit readiness through standardized documentation and record-keeping processes on SharePoint

Education and Training

Indiana University of Pennsylvania

May 2025

MBA, Business Analytics

- **Coursework:** Business Analytics, Operation & Supply Chain Management, Project Management, International Management

MVJ College of Engineering

Aug 2023

Bachelor of Engineering, Aerospace

- **Coursework:** Aerospace Systems Design, Engineering Ethics & Technical Communication, Flight Dynamics and Control

Projects

Capstone Project (Business Analytics)

- Led end-to-end Business Analytics Capstone analyzing 48,000+ Airbnb listings in NYC to identify pricing drivers, achieving 92% prediction accuracy through regression analysis and Tableau dashboards, and delivering actionable revenue strategies.

Soy Wax Based Bio-Hybrid Propellant for Rocket Motor Preparation & It's Experimental Investigation

- Managed sustainable propellant research, analyzing 100+ data points and coordinating testing to achieve 12% efficiency gains, 9% regression rate improvement, and deliver 4 eco-friendly blends meeting performance and compliance standards.

Certifications

- **Project Management Professional Certificate:** Google
- **Agile Project Management:** Google
- **Six Sigma Green Belt:** Kennesaw State University
- **AI Product Manager:** Microsoft
- **Databases & SQL for Data Science:** IBM
- **Agile with Atlassian Jira:** Atlassian
- **Power BI Data Analyst :** Microsoft
