

**PROFESSIONAL SUMMARY**

Data Analyst with 4+ years of experience transforming complex datasets into actionable insights that drive strategic decisions. Skilled in SQL, Python, ETL pipelines, and BI tools (Power BI, Tableau, Looker Studio) to deliver data-driven solutions. Experienced in cloud platforms (Azure, AWS) and managing multi-database environments (Oracle, PostgreSQL, BigQuery, MySQL). Proven ability to reduce reporting time by up to 50% and improve decision-making speed by 35% through automation, dashboarding, and advanced analytics.

TECHNICAL SKILLS

Data Analysis & Reporting : SQL (T-SQL, MySQL, PostgreSQL), Python (Pandas, NumPy, StatsModels, Seaborn, Matplotlib), R, Excel (Power Query, Pivot Tables), Google Analytics, Firebase Analytics

Data Visualization & BI : Power BI (DAX), Tableau, Looker Studio, Excel Dashboards

ETL & Workflow Automation : Alteryx Designer, Apache Airflow, Azure Data Factory, dbt, Power Query, Google Apps Script, GitHub Actions

Databases & Cloud Platforms : Oracle DB, Google BigQuery, Azure SQL, AWS S3, MySQL, Firebase, SSMS, SSIS

Collaboration & Development : Jupyter Notebook, Git, GitHub, Postman, Confluence, Jira

Additional Skills : Data Cleaning, Statistical Analysis, A/B Testing, Segmentation Analysis, API Integration, Data Governance, Stakeholder Reporting

Certifications : [Google Data Analytics](#), [AWS Cloud Practitioner](#)

PROFESSIONAL EXPERIENCE:**Oregon MESA | Data Analyst & Coding Specialist****Portland, OR | Jul 2024 – Present**

- Improved decision-making speed by 35% by developing optimized SQL queries for Oracle Database to deliver faster segmentation and outreach targeting for program managers.
- Cut manual processing time by 50% through automated ETL workflows in Alteryx Designer, integrating program data from Google Sheets, Jotforms, and Oracle DB.
- Enhanced curriculum outreach strategies by conducting statistical analysis in Python (NumPy, Seaborn, Matplotlib) to identify delivery bottlenecks and optimize regional engagement.
- Enabled real-time KPI tracking by designing Power BI dashboards with advanced DAX measures for mentor visits, student outcomes, and regional participation metrics.

Oregon MESA | Curriculum & Coding Specialist**Portland, OR | Oct 2022 – Jun 2024**

- Increased reporting accuracy by 40% by building automated pipelines with Google Apps Script and Python APIs to sync JotForm, Google Sheets, and BigQuery data.
- Streamlined stakeholder reporting with Tableau dashboards visualizing engagement metrics across regions, improving resource allocation decisions.
- Maintained audit-ready analytics processes by version-controlling scripts in GitHub and enforcing data governance standards.
- Aligned operational metrics with organizational goals by collaborating with program managers to define KPIs and standardize measurement processes.

Spicen | Data Analyst Intern**San Francisco, CA | Mar 2021 – Jun 2022**

- Boosted recipe recommendation engagement by 15% via A/B testing and segmentation analysis using StatsModels and SciPy.
- Automated behavioral data processing by building ETL pipelines with Python, Apache Airflow, and Azure Data Factory from Azure SQL Database.
- Improved performance tracking through Tableau and Looker Studio dashboards for operational and marketing metrics.
- Increased deployment efficiency by managing CI/CD pipelines with GitHub Actions and Azure App Services for analytics tools.

Manbrosys Pvt Ltd | Data Analyst Intern**VZM, India | Aug 2019 – Jan 2021**

- Improved onboarding completion by 12% using cohort analysis and user journey tracking via Firebase and Google Analytics.
- Delivered retention and engagement insights by building Google Data Studio dashboards for product and marketing teams.
- Enhanced feature prioritization by conducting hypothesis testing post-launch to evaluate new releases.
- Optimized data quality through Python and MySQL-based cleaning, segmentation, and usage pattern analysis.

EDUCATION**Master of Science, Computer Science**

Portland State University, Oregon, USA

Sep 2022 – Jun 2024**GPA : 3.7/4.0****B.Tech., Information Technology**

Maharaj Vijayaram Gajapathi Raj College of Engineering, Andhra Pradesh, India

Jul 2018 – Jun 2022**GPA : 4.0/4.0**
