Languages: English, Hindi, Gujarati, French

PROFESSIONAL EXPERIENCE

Fairfield Inn & Suites, Lake City, FL

August 2023 – Present

IT Support Specialist

- Resolved 90% of hardware, software, internet, and network issues on first contact, enhancing operational efficiency.
- Diagnosed and resolved an average of 20 software issues weekly, including login issues and application errors, reducing downtime across departments by 15%.

Real Canadian Superstore, Grimsby, ON, Canada

November 2019 - January 2021

Cashier

- Processed over 100 transactions per shift, ensuring speed and accuracy in scanning, operated cash registers, and handled payment machines.
- Price-matched products with competitor stores, contributing to a 15% increase in customer satisfaction and loyalty.
- Delivered high-quality customer service, resolving product and pricing inquiries while maintaining a friendly, professional attitude, with a 98% customer satisfaction rate.

PROJECTS

Career Discovery Platform – Scholarly – Redesign

January 2025 – May 2025

- Collaborating in a team of three to redesign and enhance an existing career discovery platform.
- Redesigning the website's UI to improve navigation, accessibility and overall user engagement.
- Contributing to the development and implementation of new platform features, such as comparing various careers, ensuring they align with project goals and enhance the user journey.
- Implementing Agile methodologies, including weekly standups and sprint planning and leveraging GitHub for version control.

BrainBoosters — Backend Developer and Scrum Master

August 2024 - November 2024

- Designed and implemented scalable backend architecture using Python and FastAPI to support an interactive e-learning platform.
- Developed and optimized APIs, ensuring seamless integration with front-end systems.
- Led sprint planning, daily stand-ups, and sprint retrospectives using Agile methodologies as Scrum Master, improving team productivity and fostering collaboration across the team.

Mahek Batra

mahek.batra@outlook.com | (386) 466 - 2747 | www.linkedin.com/in/mahekbatra | <https://github.com/batramahek>

- Integrated AWS for reliable data management and performance.

OSM Pathfinding and Street Visualization Project, Team Lead/Developer

August 2024

- Led and coordinated a team of three members to ensure successful project completion by setting weekly milestones and facilitating effective communication.
- Leveraged the OpenStreetMap (OSM) dataset to parse and extract 400,000+ nodes and more than 1 million edges for visualizing street networks in Massachusetts.
- Utilized SFML to design a graphical interface displaying the street network and highlighting both paths between random nodes.
- Employed Libosmium to parse and retrieve OSM data efficiently and implemented BFS and Dijkstra's for route optimization.

AWARDS & CERTIFICATIONS

Amazon Junior Software Developer Professional Certificate

Introduction to Software Development

February 2025 – Present

February 2025

Dean's List, University of Florida

Fall 2024

Dean's List, University of Florida

Fall 2023 - Spring 2024

Smart Analytics, Machine Learning, and AI on Google Cloud

July 2023

Excel Essentials: The Complete Excel Series — Level 1, 2, & 3

June 2023

President's List, Jacksonville University

Fall 2022 - Spring 2023

President's List, Jacksonville University

Fall 2021 - Spring 2022

EXTRACURRICULARS

UF Women in Computer Science & Engineering (WICSE), Member

November 2023 - Present

- Engaging in coding workshops aimed at promoting gender diversity in STEM fields.

UF Girls Who Code, Member

November 2023 – Present

- Participated in activities and initiatives aimed at fostering coding skills and engaging diversity in tech.

UF Indian Student Association (ISA), Member

November 2023 - Present

- Actively supported the organization's initiatives to fellow students, contributing to a welcoming and inclusive campus environment.
