

MANISHA MUCHERLA

2425 East 117th Street, Burnsville, MN 55337 | (763) 321-6320 | manisha.mucherla@gmail.com

OBJECTIVE

To pursue and gain experience in the Computer Science field, strengthen technical & leadership skills, and to take ownership of technical projects.

EDUCATION

Bachelor of Arts, Computer Science

Minor in Management

University of Minnesota, Twin Cities

College of Liberal Arts

EXPERIENCE

Rotational Software Engineer, U.S. Bank

June 2023 - Present

- Successfully transitioned between roles in backend development, DevOps, and UI/UX design, demonstrating adaptability and versatility in diverse technical environments.
- Led the development of a microservices architecture project, achieving a 20% reduction in service response times and enhancing system scalability.
- Collaborated with cross-functional teams to deliver a real-time analytics Grafana dashboard, integrating a SQL Server Database for efficient data storage and retrieval.

Software Development Intern, U.S. Bank

June 2022 - August 2022

- Improved AMR processes used by Automation Engineers, ensuring accurate data representation and aiding informed decision-making.
- Expanded technical and agile skills by leading the team's adoption of Jira Software, managing engineering stories, and participating in agile ceremonies.
- Explored responsibilities of a Product Manager to deepen understanding of Hogan, a secure banking system, and project methodologies.

Junior Associate in Talent Enablement, HR&Co.

May 2021 - July 2021

- Supported organization-wide client engagements by providing program and project management support in a high-volume environment.
- Led integration of client HR systems, enhancing employee performance tracking and network expansion for mentorship opportunities.
- Built and maintained client relationships through daily meetings, progress updates, and knowledge exchange, accelerating team comprehension and supporting new managers.

EXTRA-CURRICULAR ENGAGEMENT & COMMUNITY SERVICE

Executive Director, Jazba Entertainment

May 2022 - May 2023

- Orchestrated planning and execution of Jazba 2023: A National Bollywood-Fusion Dance Competition, managing logistics and team tasks.
- Strengthened relationship with South Asian non-profit partner, Women In Need (WIN), through fundraising and collaborative efforts.

Volunteer, Sai Baba Mandir

January 2014 - Present

- Contributed over 300 hours in volunteer roles such as cleaning, food preparation, and administrative support.

SKILLS & QUALIFICATIONS

Technical - Python, Java, OCAML, C, C++, Springboot, Go, SQL, Docker; Microsoft Office Suite, Jira Software.

Languages - Fully bilingual in English & Telugu
