Career Objective

A detail-oriented Software Developer with hands-on experience in Python, Django, Redis, and REST API development. Seeking a challenging role where I can contribute to innovative software solutions and grow within a dynamic team.

Core Competencies

- ✓ **Languages:** Python, SQL
 - ✓ **Frameworks & Libraries:** Django, NumPy, Pandas, Matplotlib
 - ✓ **Web Development:** HTML, CSS, JavaScript
 - ✓ **Databases:** MySQL, MSSQL, PostgreSQL, Redis
 - ✓ **Caching & Performance Optimization:** Redis for caching API responses and optimizing database queries
 - ✓ **Tools & Version Control:** Git, Docker
 - ✓ **Web Services:** REST API Development
 - ✓ **Data Analysis:** Python scripting for data collection, visualization (Power BI), and analysis
-

Professional Experience

Software Developer | 65SQUARE

 Jan 2024 – Present

- Developed and integrated REST APIs in Django, improving system performance and delivering robust software for social impact projects.
- Implemented **Redis caching** to enhance API response times and reduce database load, improving application scalability.
- Configured and managed **Redis Clusters** for session management and real-time notifications.
- Collaborated in a cross-functional team to ensure smooth project delivery and reduced code review cycles.

Python Developer Intern | Earth Viability Center

 June 2023 – Dec 2023

- Created dynamic visualizations using Matplotlib, improving reporting and understanding of sustainability research.
 - Designed software tools that streamlined research data collection, improving data accuracy.
-

Additional Experience

Data Scientist Volunteer | Connected 2 Culture

- Automated data retrieval using Google Events and Calendar APIs, enhancing efficiency.
- Developed Python scripts using Python Libraries like Pandas for analyzing cultural data, providing key insights to stakeholders for program development.

Brand Loyalty Research | HIDE SIGN

- Conducted a comprehensive analysis of loyalty programs, offering strategic insights to improve customer retention.
-

Education

🎓 **MBA (International Business)** – Pondicherry University | **CGPA:** 8.71/10 | 2012

🎓 **B.Tech (Electronics and Communication Engineering)** – Rajiv Gandhi College of Engineering and Technology | **CGPA:** 8.2/10 | 2010

Certifications

🏆 **SQL certification**
