Experience

Business Process Analyst, 01/2025 to Current

CMI Concrete Mixes – Washington, D.C.

- Compare internal processes to industry's best practices.
- Identify Inefficiencies by looking for redundancies, and non-value-added steps.
- Document processes and ensure they're accessible and up to date.
- Capture requirements for process or system changes.
- Support user acceptance testing (UAT) for process-related system changes.
- Manage daily administrative tasks.

Business Analyst, 06/2023 to 10/2024

CGI – Fairfax, VA

- Conducted in-depth analysis of business processes, identified inefficiencies, and proposed solutions that improved operational efficiency.
- Coordinated cross-functional teams in the implementation of new business systems, achieving seamless integration with existing operations.
- Developed detailed documentation, including business requirements and functional specifications.
- Supported the testing phase of new systems, ensuring that they met business requirements and performing UAT for quality assurance.
- Engage with end users to understand system requirements and provide feedback for system improvements.

Procurement Intern, 06/2021 to 08/2021

Amentum – Chantilly, VA

- Provided support in resolving invoice discrepancies between vendors and internal departments.
- Conducted research into new materials or items that could provide cost savings or improved quality levels.
- Assisted in procurement and subcontracts functions during pre-award, post-award, and closeout phases of the overall process.

Office Manager and Talent Coordinator, 04/2018 to 09/2020

Premium Motors – Stafford, VA

- Oversee office logistics including supply management, vendor relations, and office space optimization.
- Coordinated recruitment and staffing needs, managing job postings, and candidate selection processes.
- Developed and implemented employee onboarding programs, including new hire orientation and training sessions.
- Managed daily administrative tasks such as answering phones, handling emails, and filing documents.

EDUCATION

Bachelor of Science (B.S.): Information Systems Operation and Management, 05/2022

George Mason University - Fairfax, VA
